Dear Bondowner:

Thank you very much for your investment in our bonds. We are writing to inform you about the Invitation we are making for you to offer to sell to us the above-captioned bonds (the Target Bonds) for an aggregate cash price of not exceeding $10,000,000, including Accrued Interest. The Offer Deadline is 5:00 p.m. New York City time, on December 14, 2026 (subject to extension or earlier termination).

The Invitation is being made for the purpose of increasing our financial flexibility. Therefore, we wish to purchase from bondowners certain of the Target Bonds, at Purchase Prices to be determined through a "Modified Dutch Auction" procedure. As of today's date, all of the Target Bonds are subject to the Invitation, although we may decide to purchase some, all or none of the offered Target Bonds. We expect that the tender offer will be financed from available cash.

If you decide to offer your Target Bonds to us for purchase you may choose to make either a Noncompetitive Offer or a Competitive Offer.

> ***Noncompetitive Offer***. With this method, you offer your Target Bonds without naming a price. If we accept your offer, you will receive the same Purchase Price as everyone else who tendered the same Target Bonds whose Offers were accepted. A Noncompetitive Offer provides you with the greatest probability of having your Offer accepted.
>
> ***Competitive Offer***. This method of offering requires you to decide an exact minimum price you wish to receive for your Target Bonds. This is usually the choice of large, institutional investors. If the Offer Price you specify is higher than the price accepted by us, then your Target Bonds offered at such higher price will not be purchased pursuant to the Invitation.

The deadline to offer your Bonds for purchase is December 14, 2026, at 5:00 p.m. New York City time unless extended or earlier terminated. Should you wish to participate, please contact your bank, broker or other financial advisor in advance of this date so that they may have sufficient time to relay your instructions to the Commission prior to expiration of the Invitation.

Please note, the Commission may choose to amend this Invitation on December 15, 2026 (the day following expiration of the tender opportunity) to announce the offer Purchase Price as determined through the Modified Dutch Auction process. Bondowners, who have participated in the offer, but whose tender would not be accepted, may withdraw and resubmit their offer at the tender Purchase Price.

This brief letter does not provide all of the information that you need to consider the Invitation. The Commission's invitation to tender Bonds is only being made pursuant to the Invitation. **Bondowners are urged to carefully read the Invitation because it contains information, including the various terms of and conditions of the Invitation that Bondholders should consider before making any decision regarding tendering their Bonds.**

The Invitation is available electronically on the website of the Information Agent at www.globic.com/19thjdc, as well as the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access website, currently located at http://emma.msrb.org, using the CUSIP numbers for the Bonds.
