This Invitation to Tender Bonds, dated March 20, 2026 (as it may be amended or supplemented, this “**Invitation**”) describes an invitation by Douglas County School District 0017 (Millard Public Schools) (the “**District**”), with the assistance of D.A. Davidson & Co., as dealer manager (the “**Dealer Manager**”) to the beneficial owners (the “**Bondowners**”) of the District’s outstanding (a) General Obligation Refunding Bonds, Taxable Series 2020 (the “**2020 Target Bonds**”), and (b) General Obligation Refunding Bonds, Taxable Series 2021B (the “**2021 Target Bonds**” and together with the 2020 Target Bonds, the “**Target Bonds**”) maturing on the dates set forth in the table on page (i) of this Invitation to offer to sell to the District such Target Bonds for cash at an offer price to be determined based on the applicable fixed spread (each, a “**Fixed Spread**”) to be added to the yield on the relevant benchmark United States Treasury Security (the “**Benchmark Treasury Security**”) plus accrued interest on the Target Bonds tendered for purchase to but not including the Settlement Date (as hereinafter defined). On or about March 30, 2026, the District will publish the Pricing Notice in the form attached hereto as Appendix B, which will either confirm or amend the “Indicative Fixed Spread” as listed in page (i) of this Invitation for each CUSIP of the respective Target Bonds.

The purchase of any Target Bonds pursuant to this Invitation is contingent on the issuance by the District of its General Obligation Refunding Bonds, Series 2026B (the “**Series 2026B Bonds**”) described in the Preliminary Official Statement dated March 20, 2026 and attached hereto as Appendix A (the “**Series 2026B Bonds POS**”). Such purchase is also subject to the terms of this Invitation and certain other conditions as described herein. Capitalized terms used and not defined in the body of this Invitation shall have the meanings ascribed to such terms in the Series 2026B Bonds POS.

This Invitation is part of a plan by the District to pay and cancel a portion of the District’s outstanding indebtedness, as described in the Series 2026B Bonds POS. The District intends to purchase up to \$30,650,000 in principal amount of 2020 Target Bonds and purchase up to \$21,940,000 in principal amount of the 2021 Target Bonds, pursuant to this Invitation. However, depending upon the results of this Invitation and other factors the District in its sole discretion may purchase a lesser principal amount of Target Bonds. The District shall be under no obligation to accept any Target Bonds tendered for purchase pursuant to this Invitation. The District in its sole discretion will select which, if any, Target Bonds to purchase of a particular CUSIP. Bondowners of Target Bonds who do not accept this Invitation and Bondowners of Target Bonds whose offers are rejected by the District will continue to hold their interest in such Target Bonds.

The District has instructed the Dealer Manager, which is expected to act as underwriter of the Series 2026B Bonds, that any holder of Target Bonds (including the Dealer Manager or any related account thereof) who tenders Target Bonds pursuant to this Invitation and who submits an order to purchase any

Series 2026B Bonds will receive priority, subject to certain limitations, to such order of the Series 2026B Bonds, up to the principal amount of the Target Bonds that such holder tenders and the District accepts, over other orders for the Series 2026B Bonds. The District retains the discretion to alter its instructions. To make an informed decision as to whether, and how, to offer Target Bonds for purchase pursuant to this Invitation, Bondowners must read this Invitation carefully, including the appendices hereto, and consult their broker, account executive, financial advisor, attorney or other professionals. **This Invitation and the appendices hereto shall constitute an invitation to Bondowners to offer to tender their Target Bonds for purchase.**

APPENDIX B -- FORM OF PRICING NOTICE

**INVITATION TO TENDER BONDS**  
**made by**  
**DOUGLAS COUNTY SCHOOL DISTRICT 0017**  
**(MILLARD PUBLIC SCHOOLS)**

**1. Introduction.** This Invitation to Tender Bonds, dated March 20, 2026 (as it may be amended or supplemented, this “**Invitation**”) describes an invitation by Douglas County School District 0017 (Millard Public Schools) (the “**District**”), with the assistance of D.A. Davidson & Co., as dealer manager (the “**Dealer Manager**”), to the beneficial owners (the “**Bondowners**”) of the District’s outstanding (a) General Obligation Refunding Bonds, Taxable Series 2020 (the “**2020 Target Bonds**”), and (b) General Obligation Refunding Bonds, Taxable Series 2021B (the “**2021 Target Bonds**” and together with the 2020 Target Bonds, the “**Target Bonds**”) maturing on the dates set forth in the table on page (i) above of this Invitation to offer to sell to the District such Target Bonds for cash at an offer price to be determined based on the applicable fixed spread (each, a “**Fixed Spread**”) to be added to the yield on the relevant benchmark United States Treasury Security (the “**Benchmark Treasury Security**”) plus accrued interest on the Target Bonds tendered for purchase to but not including the Settlement Date (as hereinafter defined). On or about March 30, 2026, the District will publish the Pricing Notice in the form attached hereto as Appendix B, which will either confirm or amend the “Indicative Fixed Spread” as listed in page (i) of this Invitation for each CUSIP of the respective Target Bonds.

The District authorized the issuance of the (a) 2020 Target Bonds pursuant to a resolution adopted by its Board of Education (the “**Board**”) on March 2, 2020 (the “**2020 Target Bonds Authorizing Resolution**”), and (b) 2021 Target Bonds pursuant to a resolution adopted by its Board on August 16, 2021 (the “**2021 Target Bonds Authorizing Resolution**” and together with the 2021 Target Bonds Authorizing Resolution, the “**Target Bonds Authorizing Resolution**”). The Board authorized the tender of the Target Bonds pursuant to a resolution duly adopted on February 2, 2026. This Invitation is part of a plan by the District to refinance some or all of the outstanding Target Bonds, as described in the Preliminary Official Statement dated March 20, 2026 and attached hereto as Appendix A (the “**Series 2026B Bonds POS**”). **Only the Targeted Bonds identified in the table above – and no other bonds or indebtedness of the District – are subject to this Invitation.** For additional information concerning the District, its plan of refunding and its outstanding indebtedness, see the Series 2026B Bonds POS attached hereto as Appendix A.

Pursuant to this Invitation, each Bondowner may offer to tender to the District for purchase any or all Target Bonds, in a denomination of \$5,000 principal amount (the “**Minimum Authorized Denomination**”) or any integral multiple thereof, with respect to which the Bondowner has a beneficial ownership interest. The applicable Fixed Spread for each CUSIP of the Target Bonds at which such Target Bonds may be tendered by a Bondowner for purchase pursuant to this Invitation will be set forth in the Pricing Notice. The applicable purchase price for each CUSIP of the Target Bonds (each an “**Offer Purchase Price**”) will be determined as further described below in Section 2: “Information to Bondowners – *Tender Consideration*” herein.

The purchase of any Target Bonds pursuant to this Invitation is contingent on the issuance by the District of its General Obligation Refunding Bonds, Series 2026B (the “**Series 2026B Bonds**”), and is also subject to the terms of this Invitation and certain other conditions as described herein. See Section 13: “Conditions to Purchase” for additional information regarding certain of such conditions. The source of funds to purchase the Target Bonds validly tendered for purchase pursuant to this Invitation at the respective Offer Purchase Prices is anticipated to be proceeds of the Series 2026B Bonds to be issued on the Settlement Date (defined below). The payment of accrued interest on Target Bonds validly tendered for purchase is expected to be made from funds held by the District.

Subject to the terms of this Invitation and the satisfaction of all conditions to the District's obligation to purchase tendered Target Bonds accepted by the District as described herein, and provided that (i) the Target Bonds offered by a Bondowner for purchase have been validly tendered by 5:00 p.m., New York City time, on April 6, 2026 (as extended from time to time in accordance with this Invitation, the "**Expiration Date**"), and (ii) accepted by the District on April 9, 2026 (as extended from time to time in accordance with this Invitation, the "**Acceptance Date**"), the District will purchase such Target Bonds tendered for purchase at the respective Offer Purchase Prices on April 16, 2026 or such later date as the District shall determine (such date, the "**Settlement Date**"). Accrued interest on the Target Bonds purchased will also be paid on the Settlement Date.

All times in this Invitation are local time in New York City.

No assurances can be given that the Series 2026B Bonds will be issued or that any Target Bonds offered for purchase by a Bondowner will be purchased. See Section 9: "Acceptance of Offers for Purchase" for more information on the selection of tendered Target Bonds to be purchased, if any. The District reserves the right to amend or waive the terms of this Invitation as to any or all of the Target Bonds in any respect and at any time prior to the Expiration Date or from time to time, in its sole discretion. The District also has the right to terminate this Invitation at any time up to and including the Expiration Date. See Section 14: "Extension, Termination and Amendment of Invitation; Changes to Terms" below.

The District is under no obligation to accept any of the Target Bonds that are tendered for purchase pursuant to this Invitation as described in Section 9: "Acceptance of Offers for Purchase." Any Target Bonds tendered by Bondowners pursuant to this Invitation but not accepted by the District will be returned to the Bondowners and will continue to be payable and secured under the terms of the Target Bond Authorizing Resolution until maturity or prior redemption. If all conditions to this Invitation are not satisfied or waived by the District on or prior to the Settlement Date, any Target Bonds tendered by Bondowners pursuant to this Invitation will be returned to the Bondowners and will continue to be payable and secured under the terms of the Target Bond Authorizing Resolution until maturity or prior redemption.

**To make an informed decision as to whether, and how, to offer Target Bonds for purchase pursuant to this Invitation, a Bondowner must read this Invitation carefully, including the Series 2026B Bonds POS attached hereto as Appendix A.**

**None of the District, the Dealer Manager or the Information Agent and Tender Agent (as defined below) make any recommendation that any Bondowner offer and tender or refrain from offering and tendering all or any portion of such Bondowner's Target Bonds for purchase. Bondowners must make these decisions and should consult with their broker, account executive, financial advisor, attorney and/or other appropriate professionals.**

The Dealer Manager for this Invitation is D.A. Davidson & Co. Globic Advisors is serving as Information Agent and Tender Agent (the "**Information Agent**" or the "**Tender Agent**") in connection with this Invitation. Bondowners with questions about the substance of this Invitation should contact the Dealer Manager at the email address and telephone number set forth on the inside cover page of this Invitation. Bondowners with questions about the mechanics of this Invitation should contact the Information Agent at the email address and telephone number set forth on the inside cover page of this Invitation.

## **2. Information to Bondowners.**

**General.** The District will provide additional information about this Invitation, if any, to the market and Bondowners, including, without limitation, the Pricing Notice in the form attached hereto as

Appendix B expected to be delivered on or about March 30, 2026 and any supplement to the Series 2026B Bonds POS, by delivery of such information in the following ways: (a) to the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access website, currently located at <http://emma.msrb.org> (the “**EMMA Website**”), using the CUSIP numbers for the Target Bonds listed in the table on page (i) of this Invitation; (b) to DTC (defined below) and to the DTC participants holding the Target Bonds; and (c) by posting electronically on the website of the Information Agent at [www.globic.com/millard](http://www.globic.com/millard). Delivery by the District of information in this manner will be deemed to constitute delivery of the information to each Bondowner. None of the District, the Dealer Manager, or the Information Agent and Tender Agent has any obligation to ensure that a Bondowner actually receives any information provided by the District in this manner.

**Tender Consideration.** On or about March 30, 2026, the District will publish the Pricing Notice in the form attached hereto as Appendix B, which Pricing Notice will set forth either a confirmation of the indicative fixed spreads shown on page (i) of this Invitation or an amendment to the fixed spreads (each, a “**Fixed Spread**”) for each CUSIP of the Target Bonds tendered and accepted for purchase pursuant to this Invitation.

The applicable Fixed Spread will represent the yield, expressed as an interest rate percentage above the yield on the relevant Benchmark Treasury Security (set forth on page (i) of this Invitation) to be used in establishing the Offer Purchase Price for each of the Target Bonds. The applicable Fixed Spread will be added to the yield on the relevant Benchmark Treasury Security for each CUSIP. The yield on each Benchmark Treasury Security (the “**Treasury Security Yield**”) will be based on the bid-side price of the Benchmark Treasury Security as quoted on the Bloomberg Bond Trader FIT1 series of pages at 1:00 p.m. New York City Time on April 7, 2026. The applicable Fixed Spread for each CUSIP will be added to the relevant Treasury Security Yield to arrive at a yield for each CUSIP (each a “**Purchase Yield**”).

The Purchase Yields will be used to calculate the Offer Purchase Prices. The Offer Purchase Prices will be calculated using the market standard bond pricing formula as of the Settlement Date using the relevant Purchase Yield and the maturity date for each of the Target Bonds.

**3. Expiration Date; Offers Only Through Financial Institutions; Brokerage Commissions.** This Invitation will expire at 5:00 p.m., New York City time, on the Expiration Date (April 6, 2026, unless earlier terminated or extended as described in this Invitation). Offers to sell Target Bonds received after 5:00 p.m., New York City time, on the Expiration Date will not be considered. See Section 14 for a discussion of the District’s ability to extend the Expiration Date and to terminate or amend this Invitation.

All of the Target Bonds are held in book-entry form through the facilities of The Depository Trust Company of New York (“**DTC**”). The Information Agent and Tender Agent and DTC have confirmed that this Invitation is eligible for submission of tenders for purchase through DTC’s Automated Tender Offer Program (known as the “**ATOP**” system). **Bondowners of Target Bonds determining to offer their Target Bonds to the District pursuant to this Invitation must do so through a DTC participant in accordance with the relevant DTC procedures for the ATOP system. The District will not accept any offers of Target Bonds for purchase that are not made through the ATOP system.** Bondowners who are not DTC participants can only offer Target Bonds for purchase pursuant to this Invitation by making arrangements with and instructing the bank or brokerage firm through which they hold their Target Bonds (sometimes referred to herein as a “custodial intermediary”) to tender the Bondowner’s Target Bonds on their behalf through the ATOP system. To ensure a Bondowner’s Target Bonds are tendered through the ATOP system by 5:00 p.m., New York City time, on the Expiration Date, Bondowners must provide instructions to the bank or brokerage firm through which their Target Bonds are held in sufficient time for such custodial intermediary to tender the Target Bonds in accordance with DTC procedures through the

ATOP system by this deadline. Bondowners should contact their bank or brokerage firm through which they hold their Target Bonds for information on when such custodial intermediary needs the Bondowner's instructions in order to tender the Bondowner's Target Bonds through the ATOP system by 5:00 p.m., New York City time, on the Expiration Date. See also Section 6 below.

None of the District, the Dealer Manager, or the Information Agent and Tender Agent are responsible for making or transmitting any offer to sell Target Bonds or for the transfer of any tendered Target Bonds through the ATOP system or for any mistakes, errors or omissions in the making or transmission of any offer or transfer.

Bondowners will pay no brokerage commissions or solicitation fees to the District, the Dealer Manager or the Information Agent and Tender Agent in connection with this Invitation. However, Bondowners should check with their broker, account executive or other financial institution which maintains the account in which their Target Bonds are held to determine if it will charge any commission or fees.

#### **4. Minimum Denominations and Consideration for Offers; Changes to the Terms of this Invitation.**

*Authorized Denominations for Offers.* A Bondowner may make an offer to sell all or a portion of Target Bonds of a particular CUSIP that it owns in an amount of its choosing, but only in principal amounts equal to the Minimum Authorized Denomination or any integral multiple thereof.

*Tender Consideration.* Target Bonds may only be offered by a Bondowner for purchase by the District pursuant to this Invitation at the relevant Fixed Spreads for each CUSIP to be set forth in the Pricing Notice. The Offer Purchase Price for the Target Bonds with each particular CUSIP tendered pursuant to this Invitation will be calculated using the market standard bond pricing formula as of the Settlement Date based on the Purchase Yield and the maturity date of the Target Bond. In addition to the Offer Purchase Price of the Target Bonds accepted for purchase by the District, accrued interest on such Target Bonds will be paid by, or on behalf of, the District to the tendering Bondowners on the Settlement Date. The Offer Purchase Prices (and the accrued interest) will constitute the sole consideration payable by the District for Target Bonds purchased by the District pursuant to this Invitation.

*Changes to Terms of this Invitation.* As described in Section 14 hereof, the District may revise the terms of this Invitation prior to the Expiration Date. If the District determines to revise the terms of this Invitation, it shall provide notice thereof in the manner described in Section 2 of this Invitation no later than five (5) Business Days prior to the Expiration Date. If the District increases the Fixed Spread for any of the Target Bonds pursuant to this Invitation (which would thereby reduce the related Offer Purchase Price), the District shall provide notice thereof as described in Section 2 no less than five (5) Business Days prior to the Expiration Date. **In such event, any offers submitted with respect to the affected Target Bonds prior to such change in the Fixed Spread for such Target Bonds pursuant to this Invitation will remain in full force and effect and any Bondowner of such affected Target Bonds wishing to revoke their offer to tender such Target Bonds must affirmatively withdraw such offer prior to the Expiration Date as described in Section 8 hereof.**

#### **5. Provisions Applicable to all Offers.**

Bondowners are encouraged to ask their financial advisors, investment managers, brokers or account executives for advice in determining whether to offer Target Bonds for purchase and the principal amount of Target Bonds to be offered. Bondowners are encouraged also to inquire as to whether their brokers, account executives or other financial institution will charge a fee for submitting offers. None of the District, the Dealer Manager, or the Information Agent and

Tender Agent will charge fees to any Bondowner making an offer or completing the purchase of Target Bonds.

An offer to sell Target Bonds cannot exceed the par amount of Target Bonds owned by a Bondowner. Target Bonds may be tendered and accepted for payment only in principal amounts equal to the Minimum Authorized Denomination and integral multiples thereof.

**“All or none” offers are not permitted. No alternative, conditional or contingent tenders will be accepted. All tenders shall survive the death or incapacity of the tendering Bondowner.**

By making an offer pursuant to this Invitation, each Bondowner will be deemed to have represented and warranted to and agreed with the District and the Dealer Manager that:

(a) the Bondowner has received, and has had the opportunity to review, this Invitation (including the appendices hereto) prior to making the decision as to whether or not the Bondholder should offer to tender any Target Bonds for purchase;

(b) the Bondowner has full authority to tender, sell, assign and transfer such Target Bonds, and that, on the Settlement Date, the District, as transferee, will acquire good title, free and clear of all liens, charges, encumbrances, conditional sales agreements or other obligations and not subject to any adverse claims, subject to payment to the Bondowner of the applicable Offer Purchase Price, plus accrued interest to the Settlement Date;

(c) the Bondowner has made an independent decision to make the offer, the appropriateness of the terms thereof, and whether the offer is appropriate for the Bondowner;

(d) such decisions are based upon the Bondowner’s own judgment and upon advice from such advisors as the Bondowner has consulted;

(e) the Bondowner is not relying on any communication from the District, the Dealer Manager, or the Information Agent and Tender Agent as investment advice or as a recommendation to make the offer, it being understood that the information from the District, the Dealer Manager, or the Information Agent and Tender Agent related to the terms and conditions of this Invitation shall not be considered investment advice or a recommendation to make an offer; and

(f) the Bondowner is capable of assessing the merits of and understanding (on its own and/or through independent professional advice), and does understand and accept, the terms and conditions of this Invitation.

**6. Transmission of Offers by Financial Institutions; DTC ATOP Procedures.** Offers to sell Target Bonds pursuant to this Invitation may only be made to the District through DTC’s ATOP system. Bondowners that are not DTC participants must make their offers through their custodial intermediary. A DTC participant must tender the Target Bonds offered by the Bondowner pursuant to this Invitation on behalf of the Bondowner for whom it is acting, by book-entry through the ATOP system. In so doing, such custodial intermediary and the Bondowner on whose behalf the custodial intermediary is acting, agree to be bound by DTC’s rules for the ATOP system. In accordance with ATOP procedures, DTC will then verify receipt of the tender offer and send an Agent’s Message (as described below) to the Information Agent and Tender Agent.

The term “Agent’s Message” means a message transmitted by DTC to, and received by, the Information Agent and Tender Agent and forming a part of the book-entry confirmation which states that

DTC has received an express acknowledgement from the DTC participant tendering Target Bonds for purchase that are the subject of such book-entry confirmation, stating: (i) the par amount of the Target Bonds that have been tendered by such DTC participant on behalf of the Bondowner pursuant to this Invitation, and (ii) that the Bondowner agrees to be bound by the terms of this Invitation, including the representations, warranties, agreements and affirmations deemed made as set forth in Section 5 above.

Agent's Messages must be transmitted to and received by the Information Agent and Tender Agent by not later than 5:00 p.m., New York City time, on the Expiration Date. Target Bonds will not be deemed to have been tendered for cash purchase pursuant to this Invitation until an Agent's Message with respect thereto is received by the Information Agent and Tender Agent.

Each DTC participant is advised to submit each beneficial owner's instruction individually into DTC's ATOP system to ensure proper settlement.

**7. Determinations as to Form and Validity of Offers; Right of Waiver and Rejection.**

All questions as to the validity (including the time of receipt of Agent's Messages by the Information Agent and Tender Agent), eligibility, and acceptance of any offers to sell Target Bonds will be determined by the District in its sole discretion and will be final, conclusive and binding.

The District reserves the right to waive any irregularities or defects in any offer. None of the District, the Dealer Manager, or the Information Agent and Tender Agent is obligated to give notice of any defects or irregularities in offers, and none has any no liability for failing to give such notice.

**8. Withdrawals of Offers Prior to Expiration Date; Irrevocability of Offers on Expiration Date.** A Bondowner may withdraw an offer to sell Target Bonds pursuant to this Invitation by causing a withdrawal notice to be transmitted via DTC's ATOP system to, and received by, the Information Agent and Tender Agent at or before 5:00 p.m., New York City time, on the Expiration Date (as the date and time may have been changed as provided in this Invitation).

Bondowners who are not DTC participants can only withdraw their offers by making arrangements with and instructing the custodial intermediary through which they hold their Target Bonds to submit the Bondowner's notice of withdrawal through the DTC ATOP system.

**All offers to sell Target Bonds will become irrevocable as of 5:00 p.m., New York City time, on the Expiration Date (as such date may have been changed from time to time as provided in this Invitation).**

**9. Acceptance of Offers for Purchase.** On the Acceptance Date (April 9, 2026, unless extended), upon the terms and subject to the conditions of this Invitation, the District will announce its acceptance for purchase of Target Bonds, if any, offered and validly tendered by Bondowners pursuant to this Invitation by giving notice in the manner described in Section 2, with acceptance subject to the satisfaction or waiver by the District of the conditions to the purchase of tendered Target Bonds. See Section 10: "Acceptance of Offers Constitutes Irrevocable Agreement" and Section 13: "Conditions to Purchase."

The District intends to purchase up to \$30,650,000 in principal amount of 2020 Target Bonds and purchase up to \$21,940,000 in principal amount of the 2021 Target Bonds, pursuant to this Invitation. However, depending upon the results of this Invitation and other factors the District in its sole discretion may purchase a lesser principal amount of Target Bonds. The District shall be under no obligation to accept any Target Bonds tendered for purchase pursuant to this Invitation. The District in its sole discretion will

select which, if any, Target Bonds to purchase of a particular CUSIP based on its determination of the economic benefit from such purchase.

Should the District determine to purchase some but not all of the Target Bonds of a particular CUSIP, the District will accept those tendered Target Bonds on a pro rata basis reflecting the ratio of (a) the principal amount, if any, the District determines to purchase, where applicable (b) the aggregate principal amount of valid offers to sell received. In such event, should the principal amount of any individual tender offer, when adjusted by the pro rata acceptance, result in an amount that is not a multiple of \$5,000, the principal amount of such offer will be rounded down to the nearest multiple of \$5,000. If as a result of such adjustment, the amount of a holder's accepted Target Bonds would be less than the minimum authorized denomination of \$5,000, the District will reject such holder's tender instruction in whole.

If the District accepts any Target Bonds of a particular CUSIP for purchase, the District will provide notice of such acceptance, which will state: (i) the principal amount of the Target Bonds of each CUSIP number that the District has accepted for purchase in accordance with this Invitation, which may be zero for a particular CUSIP number, or (ii) that the District has decided not to purchase any Target Bonds.

Following the District's publishing its acceptance of offers, DTC will return all Target Bonds that were offered but were not accepted for purchase in accordance with DTC's procedures. None of the District, the Dealer Manager, or the Information Agent and Tender Agent is responsible or liable for the operation of the ATOP system by DTC to properly credit such released Target Bonds to the applicable account of the DTC participant or custodial intermediary or by such DTC participant or custodial intermediary for the account of the Bondowner.

**Notwithstanding any other provision of this Invitation, the obligation of the District to purchase Target Bonds offered, accepted and validly tendered (and not validly withdrawn) by Bondowners pursuant to this Invitation is subject to the satisfaction or waiver of the conditions set forth under Section 13: "Conditions to Purchase" below. The District reserves the right, in its sole discretion, to amend or waive any of the terms of or conditions to this Invitation, in whole or in part, at any time prior to the Expiration Date. This Invitation may be withdrawn by the District at any time prior to the Expiration Date.**

**10. Acceptance of Offers Constitutes Irrevocable Agreement; Conditions.** Acceptance by the District of offers to sell Target Bonds tendered by Bondowners will constitute an irrevocable agreement between the offering Bondowner and the District to sell and purchase such Target Bonds, subject to the conditions and terms of this Invitation, including the Conditions to Purchase set forth in Section 13.

**11. Settlement Date; Purchase of Target Bonds.** Subject to satisfaction of all conditions to the District's obligation to purchase tendered Target Bonds accepted by the District, as described herein, the Settlement Date is the day on which Target Bonds accepted for purchase will be purchased and paid for at the applicable Offer Purchase Price, together with accrued interest to such date. Such purchase and payment are expected to occur by 3:00 p.m., New York City time, on the Settlement Date. The Settlement Date has initially been set as April 16, 2026, unless extended by the District, assuming all conditions to this Invitation have been satisfied or waived by the District.

The District may, in its sole discretion, change the Settlement Date by giving notice thereof in the manner described in Section 2 of this Invitation prior to the change. However, the Settlement Date may not be later than April 30, 2026. If the District does not complete the purchase of the Target Bonds by 3:00 p.m., New York City time, on April 30, 2026, the right and obligation of the District to purchase any Target

Bonds will automatically terminate, without any liability to any Bondowner, and the District will instruct DTC to release from the controls of the ATOP system all Target Bonds.

Subject to satisfaction of all conditions to the District's obligation to purchase Target Bonds tendered for purchase and accepted by the District pursuant to this Invitation, as described herein, payment by the District will be made through DTC on the Settlement Date. The District expects that, in accordance with DTC's standard procedures, DTC will transmit the aggregate Offer Purchase Prices to be paid for the Target Bonds tendered for purchase (plus accrued interest) to DTC participants holding the Target Bonds accepted for purchase on behalf of Bondowners for subsequent disbursement to the Bondowners. **None of the District, the Dealer Manager or the Information Agent and Tender Agent has any responsibility or liability for the distribution of the Offer Purchase Prices and accrued interest paid by DTC to DTC participants or by DTC participants to Bondowners.**

Promptly following such deliveries and payments, the District will instruct the registrar and paying agent for the Target Bonds to cause the Target Bonds so purchased to be cancelled and retired.

**12. Source of Funds.** The source of funds to purchase the Target Bonds validly tendered for purchase pursuant to this Invitation and accepted by the District is expected to be proceeds received by the District from the sale of its Series 2026B Bonds, expected to be issued on the Settlement Date. The payment of accrued interest on Target Bonds validly tendered for purchase is expected to be made from funds held by the District. The District's ability to settle the cash purchase of Target Bonds tendered for purchase and accepted by the District is contingent upon the successful delivery of its Series 2026B Bonds and the other conditions set forth herein.

**13. Conditions to Purchase.** The consummation of the purchase of the Target Bonds pursuant to this Invitation is conditioned upon the District obtaining satisfactory and sufficient economic benefit therefrom when taken together with the proposed issuance of the Series 2026B Bonds, all on the terms and conditions that are in the District's best interest as determined in its sole discretion. Payment on the Settlement Date is conditioned upon the issuance of the Series 2026B Bonds. Furthermore, the District will not be required to purchase any Target Bonds tendered for purchase and accepted by the District, and will incur no liability as a result, if, before payment for Target Bonds on the Settlement Date:

(a) The District does not, for any reason, have sufficient funds on the Settlement Date from the proceeds of the Series 2026B Bonds to pay the Offer Purchase Prices of tendered Target Bonds accepted for purchase pursuant to this Invitation and pay all fees and expenses associated with the Series 2026B Bonds and this Invitation, including the accrued interest on all Target Bonds accepted for purchase;

(b) Litigation or another proceeding is pending or threatened which the District believes may, directly or indirectly, have an adverse impact on this Invitation or the expected benefits of this Invitation to the District or the Bondowners;

(c) A war, public health or other national emergency, banking moratorium, suspension of payments by banks, a general suspension of trading by the New York Stock Exchange or a limitation of prices on the New York Stock Exchange exists and the District believes this fact makes it inadvisable to proceed with the purchase of Target Bonds;

(d) A material change in the business or affairs of the District has occurred which the District believes makes it inadvisable to proceed with the purchase of Target Bonds;

(e) A material change in the net benefits of the transaction contemplated by this Invitation and the Series 2026B Bonds POS has occurred due to a material change in market conditions which the District reasonably believes makes it inadvisable to proceed with the purchase of Target Bonds; or

(f) There shall have occurred a material disruption in securities settlement, payment or clearance services.

**These conditions are for the sole benefit of the District. They may be asserted by the District prior to the time of payment for the Target Bonds on the Settlement Date. The conditions may be waived by the District in whole or in part at any time and from time to time in its sole discretion and may be exercised independently for each maturity date and CUSIP number of the Target Bonds. The failure by the District at any time to exercise any of these rights will not be deemed a waiver of any of these rights, and the waiver of these rights with respect to particular facts and other circumstances will not be deemed a waiver of these rights with respect to any other facts and circumstances. Each of these rights will be deemed an ongoing right of the District which may be asserted at any time and from time to time. Any determination by the District concerning the events described in this Section 13 will be final and binding upon all parties. If, prior to the time of payment of any Target Bonds any of the events described happens, the District will have the absolute right to cancel its obligations to purchase Target Bonds accepted by the District without any liability to any Bondowner or any other person.**

**14. Extension, Termination and Amendment of Invitation.** Through and including the Expiration Date, the District has the right to extend this Invitation, to any date in its sole discretion. Notice of an extension of the Expiration Date will be given in the manner described in Section 2 of this Invitation, on or about 2:00 p.m., New York City time, on the first Business Day after the then current Expiration Date.

The District also has the right, prior to the Expiration Date to terminate this Invitation at any time by giving notice of such termination in the manner described in Section 2 of this Invitation.

The District further has the right, prior to the Expiration Date, to amend or waive the terms of this Invitation in any respect and at any time by giving notice of the amendment or waiver in the manner described in Section 2 of this Invitation. The amendment or waiver will be effective at the time specified in such notice.

If the District amends the terms of this Invitation, including a waiver of any term, in any material respect, notice of such amendment or waiver will be given no less than five (5) Business Days prior to the Expiration Date to provide reasonable time for dissemination of such amendment or waiver to Bondowners and for Bondowners to respond. **If the District increases the Fixed Spread for any of the Target Bonds pursuant to this Invitation, any offers submitted with respect to the affected Target Bonds prior to such change in the Fixed Spread for such Target Bonds pursuant to this Invitation will remain in full force and effect, and any Bondowner of such affected Target Bonds wishing to revoke their offer to tender such Target Bonds must affirmatively withdraw such offer prior to the Expiration Date as described in Section 8 hereof.**

No extension, termination or amendment of this Invitation (or waiver of any terms of this Invitation) will: (i) change the District's right to decline to purchase any Target Bonds without liability; or (ii) give rise to any liability of the District, the Dealer Manager, or the Information Agent and Tender Agent to any Bondowner or nominee.

## 15. Certain Federal Income Tax Consequences.

**General Matters.** The following discussion summarizes certain U.S. federal income tax considerations generally applicable to U.S. Holders (as defined below) that tender their Target Bonds for cash. The discussion below is based upon laws, regulations, rulings, and decisions in effect and available on the date hereof, all of which are subject to change, possibly with retroactive effect. Prospective tendering investors should note that no rulings have been or are expected to be sought from the U.S. Internal Revenue Service (the “IRS”) with respect to any of the U.S. federal income tax considerations discussed below, and no assurance can be given that the IRS will not take contrary positions. Further, the following discussion does not address U.S. tax consequences applicable to any given investor, nor does it address the U.S. tax considerations applicable to all categories of investors, some of which may be subject to special taxing rules (regardless of whether or not such investors constitute U.S. Holders), such as certain U.S. expatriates, banks, REITs, RICs, insurance companies, tax-exempt organizations, dealers or traders in securities or currencies, partnerships, S corporations, estates and trusts, investors that hold their Target Bonds as part of a hedge, straddle or an integrated or conversion transaction, or investors whose “functional currency” is not the U.S. dollar, or certain taxpayers that are required to prepare certified financial statements or file financial statements with certain regulatory or governmental agencies. Furthermore, it does not address: (i) alternative minimum tax consequences, (ii) the net investment income tax imposed under Section 1411 of the Internal Revenue Code of 1986 (the “Code”), or (iii) the indirect effects on persons who hold equity interests in a holder. This summary also does not consider the taxation of the Target Bonds under state, local or non-U.S. tax laws. In addition, this summary generally is limited to U.S. tax considerations applicable to investors who will hold their Target Bonds as “capital assets” within the meaning of Section 1221 of the Code. The following discussion does not address tax considerations applicable to any investors in the Target Bonds other than investors that are U.S. Holders. As used herein, “U.S. Holder” means a Bondowner of a Target Bond that for U.S. federal income tax purposes is an individual citizen or resident of the United States, a corporation or other entity taxable as a corporation created or organized in or under the laws of the United States or any state thereof (including the District of Columbia), an estate the income of which is subject to U.S. federal income taxation regardless of its source or a trust where a court within the United States is able to exercise primary supervision over the administration of the trust and one or more United States persons (as defined in the Code) have the authority to control all substantial decisions of the trust (or a trust that has made a valid election under U.S. Treasury Regulations to be treated as a domestic trust). If a partnership holds Target Bonds, the tax treatment of such partnership or a partner in such partnership generally will depend upon the status of the partner and upon the activities of the partnership. Partnerships holding Target Bonds, and partners in such partnerships, should consult their own tax advisors regarding the tax consequences of an investment in the Target Bonds (including their status as U.S. Holders).

Any federal income tax discussions in this Invitation are included for general information only and should not be construed as a tax opinion nor tax advice by the District, the Dealer Manager, the Information Agent or any of the District’s advisors or agents to Bondowners. Such discussions also do not purport to address all aspects of federal income taxation that may be relevant to particular Bondowners (e.g., a foreign person, bank, thrift institution, personal holding company, tax exempt organization, regulated investment company, insurance company, or other broker or dealer in securities or currencies). Bondowners should not rely on such discussions and are urged to consult their own tax advisors to determine the particular federal, state, local and foreign tax consequences of sales made by them pursuant to purchase offers involving the Target Bonds, including the effect of possible changes in the tax laws. In addition to federal tax consequences, the sale of Target Bonds may be treated as a taxable event for state, local and foreign tax purposes. Bondowners are urged to consult their own tax advisors to determine the particular state, local and foreign tax consequences of sales made by them pursuant to purchase offers involving the Target Bonds, including the effect of possible changes in the tax laws.

***Tendering U.S. Holders.*** The tender of a Target Bond for cash will be a taxable event for U.S. federal income tax purposes. In such event, in general, a U.S. Holder will recognize gain or loss equal to the difference between (i) the amount of cash received (except to the extent attributable to accrued but unpaid interest on the Target Bond, which will be taxed as ordinary interest income except to the extent such interest is excludible from gross income under Section 103 of the Code) and (ii) the U.S. Holder's adjusted U.S. federal income tax basis in the Target Bond (generally, the purchase price paid by the U.S. Holder for the Target Bond, decreased by any amortized acquisition premium, and increased by the amount of any original issue discount previously included in income by such U.S. Holder with respect to such Target Bond or otherwise required to be added to the cost basis of the U.S. Holder in such Target Bond). Any such gain or loss generally will be capital gain or loss. In the case of a non-corporate U.S. Holder of the Target Bonds holding the Target Bond for a period exceeding one year, the maximum marginal U.S. federal income tax rate applicable to any such gain will be lower than the maximum marginal U.S. federal income tax rate applicable to ordinary income. The deductibility of capital losses is subject to limitations.

***Backup Withholding.*** Amounts paid to Bondowners may be subject to backup withholding by reason of the events specified by Section 3406 of the Code which include failure of a Bondowner to supply the broker, dealer, commercial bank or trust company acting on behalf of such Bondowner with such Bondowner's taxpayer identification number certified under penalty of perjury. Certification can be made by completing a substitute IRS Form W-9, a copy of which is available from the Information Agent. Backup withholding may also apply to Bondowners who are otherwise exempt from such backup withholding if such Bondowners fail to properly document their status as exempt recipients.

**16. Additional Considerations.** In deciding whether to participate in this Invitation, each Bondowner should consider carefully, in addition to the other information contained in this Invitation, the following:

***Market for Target Bonds.*** The Target Bonds are not listed on any national or regional securities exchange. To the extent that the Target Bonds are traded, their prices may fluctuate greatly depending on the trading volume and the balance between buy and sell orders. Bondowners may be able to effect a sale of the Target Bonds at a price higher than the Offer Purchase Price established pursuant to this Invitation.

***Target Bonds Not Tendered for Purchase.*** Bondowners of Target Bonds who do not accept this Invitation will continue to hold their interest in such Target Bonds. If Target Bonds are purchased pursuant to this Invitation, the principal amount of Target Bonds for a particular CUSIP that remains outstanding will be reduced, which could adversely affect the liquidity and market value of the Target Bonds of that CUSIP that remain outstanding.

**The terms of the Target Bonds that remain outstanding will continue to be governed by the terms of the Target Bonds Authorizing Resolution. The 2020 Target Bonds maturing on and after June 15, 2031 are subject to redemption in whole or in part, at the option of the District on any date on or after June 15, 2030, at a redemption price equal to 100% of the principal amount of the 2020 Target Bonds, or portions thereof to be redeemed plus accrued but unpaid interest to the date fixed for redemption. The 2021 Target Bonds maturing on and after June 15, 2032 are subject to redemption in whole or in part, at the option of the District on any date on or after June 15, 2031, at a redemption price equal to 100% of the principal amount of the 2021 Target Bonds, or portions thereof to be redeemed plus accrued but unpaid interest to the date fixed for redemption.**

To the extent Target Bonds are not purchased pursuant to this Invitation, the District reserves the right to, and may in the future decide to, acquire some or all of the Target Bonds through open market purchases, privately negotiated transactions, subsequent tender offers, exchange offers or otherwise, upon such terms and at such prices as it may determine, which may be more or less than the consideration offered

pursuant to this Invitation, which could be cash or other consideration. Any future acquisition of Target Bonds may be on the same terms or on terms that are more or less favorable to Bondowners than the terms described in this Invitation. The District also reserves the right in the future to refund (on an advance or current basis) any remaining portion of outstanding Target Bonds through the issuance of publicly offered or privately placed tax-exempt or taxable bonds. The decision to undertake any such future transactions will depend on various factors existing at that time. There can be no assurance as to which of these alternatives, if any, the District may ultimately choose to pursue in the future.

**17. The Dealer Manager.** Pursuant to the terms of that certain Dealer Manager Agreement, the District has retained D.A. Davidson & Co. to act on its behalf as Dealer Manager for this Invitation. References in this Invitation to the Dealer Manager are to D.A. Davidson & Co. only in its capacity as the Dealer Manager. The District has agreed to pay the Dealer Manager a nominal fee for its services and to reimburse the Dealer Manager for a portion of its reasonable out-of-pocket costs and expenses relating to this Invitation. The compensation of the Dealer Manager is based, and is contingent upon the closing of and expected to be paid with proceeds of the Series 2026B Bonds in its capacity as underwriter for the Series 2026B Bonds.

The Dealer Manager may contact Bondholders regarding this Invitation and may request brokers, dealers, custodian banks, depositories, trust companies and other nominees to forward this Invitation to beneficial owners of the Bonds.

The Dealer Manager and its affiliates together comprise full-service financial institutions engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, principal investment, hedging, financing and brokerage activities. The Dealer Manager and its affiliates may have, from time to time, performed and may in the future perform, various investment banking services for the District for which they received or will receive customary fees and expenses. In the ordinary course of their various business activities, the Dealer Manager and its affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities and financial instruments which may include bank loans and/or credit default swaps) for their own account and for the accounts of its customers and may at any time hold long and short positions in such securities and instruments. Such investment securities activities may involve securities and instruments of the District, including the Bonds.

In addition to its role as Dealer Manager for the Bonds, D.A. Davidson is also serving as the underwriter for the Series 2026B Bonds, as described in the Preliminary Official Statement attached as Appendix A.

The Dealer Manager is not acting as a municipal advisor, financial advisor or fiduciary to the District in connection with this Invitation.

**18. Information Agent and Tender Agent.** The Dealer Manager, on behalf of the District, has retained Globic Advisors to serve as Information Agent and Tender Agent in connection with this Invitation. The District has agreed to pay the Information Agent and Tender Agent customary fees for its services and to reimburse the Information Agent and Tender Agent for its reasonable out-of-pocket costs and expenses relating to this Invitation.

**19. Miscellaneous.** This Invitation is not being made to, and offers will not be accepted from or on behalf of, Bondowners in any jurisdiction in which this Invitation or the acceptance thereof would not be in compliance with the laws of such jurisdiction. In those jurisdictions whose laws require this Invitation to be made through a licensed or registered broker or dealer, this Invitation is being made on behalf of the District by the Dealer Manager.

**No one has been authorized by the District, the Dealer Manager or the Information Agent and Tender Agent to recommend to any Bondowners whether to offer Target Bonds for purchase pursuant to this Invitation. No one has been authorized to give any information or to make any representation in connection with this Invitation other than those contained in this Invitation. Any recommendation, information and representations given or made cannot be relied upon as having been authorized by the District, the Dealer Manager or the Information Agent and Tender Agent.**

**None of the District, the Dealer Manager or the Information Agent and Tender Agent makes any recommendation that any Bondowner offer and tender or refrain from offering and tendering all or any portion of such Bondowner's Target Bonds for purchase. Bondowners must make these decisions and should consult with their broker, account executive, financial advisor, attorney and/or other appropriate professionals.**

*In the opinion of Kutak Rock LLP, Bond Counsel, under existing laws, regulations, rulings and judicial decisions and assuming the accuracy of certain representations and continuing compliance with certain covenants, interest on the Bonds is excluded from gross income for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax imposed on individuals. Interest on the Bonds may affect the federal alternative minimum tax imposed on certain corporations. Bond Counsel also is of the opinion that, under existing laws of the State of Nebraska, such interest is exempt from Nebraska state income taxation. The Bonds are not “qualified tax-exempt obligations” under Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. See “TAX MATTERS” herein.*

**INTRODUCTION**

*This introduction is only a brief description and summary of certain information contained in this Official Statement and is qualified in its entirety by reference to more complete and detailed information contained in the entire Official Statement, including the cover page and appendices hereto, and the documents summarized or described herein. A full review should be made of the entire Official Statement.*

**Purpose of the Official Statement**

The purpose of this Official Statement is to furnish information relating to (a) Douglas County School District 0017 (Millard Public Schools) in the State of Nebraska (the “District”), (b) the General Obligation Bonds, Series 2026A (the “Series A Bonds”) and (c) the General Obligation Refunding Bonds, Series 2026B (the “Series B Bonds” and together with the Series A Bonds, the “Bonds”), of the District, dated the Dated Date (as defined herein), issued in the aggregate principal amount of \$29,550,000\* and \$ \_\_\_\_\_\*, respectively.

**The District**

The District is a Class III school district and political subdivision organized and existing under the laws of the State of Nebraska (the “State”), maintaining both elementary and high school grades under the direction of a single board of education. The District is located in the southwestern portion of the City of Omaha, Nebraska, and an adjacent portion of Sarpy County, Nebraska, encompasses approximately 35 square miles, and has an estimated population of approximately 125,000 persons. See “APPENDIX A — INFORMATION CONCERNING THE DISTRICT — GENERAL INFORMATION.”

**The Bonds**

The District is issuing the Series A Bonds pursuant to a resolution that was adopted by the Board on February 2, 2026 (the “Series A Bond Resolution”), and issuing the Series B Bonds pursuant to a separate resolution that was also adopted by the Board on February 2, 2026 (the “Series B Bond Resolution” and together with the Series A Bond Resolution, the “Bond Resolutions”). The District is issuing the Series A Bonds for the purpose of paying (a) all or a portion of the costs of improving the safety and security of school building facilities; renovations and repairs to school buildings and other facility maintenance to replace building components at the end of their useful life; as well as facility improvements related to special education programs, skilled trades education, and other educational programs, including constructing capital improvements, additions, making repairs or site improvements of existing district buildings, and providing the necessary equipment and apparatus for such buildings (collectively, the “Project”), and (b) the costs of issuing the Series A Bonds. The District is issuing the Series B Bonds for the purpose of (a) purchasing and cancelling \$ \_\_\_\_\_ in aggregate principal amount of the District’s outstanding General Obligation Refunding Bonds, Taxable Series 2020, dated July 1, 2020 (the “Tendered 2020 Bonds”), which were issued in the original aggregate principal amount of \$56,560,000 and, after the

\* Preliminary, subject to change.

purchase and cancellation of the Tendered 2020 Bonds on the date of issuance of the Bonds, will be outstanding in the aggregate principal amount of \$ \_\_\_\_\_ (the “Taxable Series 2020 Bonds”), (b) purchasing and cancelling \$ \_\_\_\_\_ in aggregate principal amount of the District’s outstanding General Obligation Refunding Bonds, Taxable Series 2021B, dated September 15, 2021 (the “Tendered 2021 Bonds” and together with the Tendered 2020 Bonds, the “Tendered Bonds”), which were issued in the original aggregate principal amount of \$28,065,000 and, after the purchase and cancellation of the Tendered 2021 Bonds on the date of issuance of the Bonds, will be outstanding in the aggregate principal amount of \$ \_\_\_\_\_ (the “Taxable Series 2021 Bonds” and together with the Taxable Series 2020 Bonds, the “Outstanding Taxable Bonds”), and (c) paying the costs of issuing the Series B Bonds. See “THE BONDS” and “PLAN OF FINANCING.”

### **Security and Source of Payment**

The Bonds are general obligations of the District payable from ad valorem taxes, unlimited as to rate and amount, levied against all of the taxable property of the District. The District has irrevocably pledged its full faith, credit, resources, and taxing powers to the payment of the principal or redemption price of and interest on the Bonds. See “SECURITY” and “NEBRASKA DEVELOPMENTS RELATED TO BUDGETS AND TAXATION.”

## **PLAN OF FINANCING**

### **Purpose and Authorization of Bonds**

**Series A Bonds.** The District is issuing the Series A Bonds pursuant to the Series A Bond Resolution to (a) pay the costs of the Project, and (b) pay the costs of issuing the Series A Bonds, and are authorized pursuant to and in full compliance with the Constitution and statutes of the State, including, without limitation, Sections 10-701 to 10-716, Reissue Revised Statutes of Nebraska, as amended.

The issuance of the Series A Bonds were authorized at an election held in conjunction with the statewide primary election and called in accordance with Sections 10-701 et seq., Reissue Revised Statutes of Nebraska, as amended, and held within the District on February 11, 2025 (the “Election”). A majority of electors voting at such Election (15,110 for and 8,181 against) authorized the District to issue its general obligation bonds in one or more series in a total aggregate principal amount not to exceed \$158,000,000 and to levy a tax, unlimited as to rate or amount, against all taxable property located within the District sufficient to pay the principal of, premium, if any and the interest on the Series A Bonds. The Series A Bonds represent the first issuance under this voter authorization. The District expects to issue one or more additional series of bonds for the remaining amount of such authorization over the next four years (the “Additional Bonds”).

**Series B Bonds.** The District is issuing the Series B Bonds pursuant to the Series B Bond Resolution to (a) fund the purchase and cancelation of the Tendered Bonds, and (b) pay the costs of issuing the Series B Bonds, and are authorized pursuant to and in full compliance with the Constitution and statutes of the State, including, without limitation, Sections 10-701 to 10-716, Reissue Revised Statutes of Nebraska, as amended.

The District issued the Taxable Series 2020 Bonds pursuant to a resolution duly passed and adopted by the Board to (a) advance refund and defease on a taxable basis certain of the District’s then-outstanding General Obligation Refunding Bonds, Series 2013, dated May 9, 2013 (the “Series 2013 Refunding Bonds”), (b) advance refund and defease on a taxable basis certain of the District’s then-outstanding General Obligation Bonds, Series 2013A, dated August 20, 2013 (the “Series 2013 New Money Bonds”), and (c) pay the costs of issuing the Series 2020 Bonds. The District issued the Series 2013 Refunding Bonds pursuant to a resolution duly passed and adopted by the Board to (a) advance refund on a tax-exempt

basis certain of the District’s then-outstanding General Obligation School Bonds, Series 2006, dated August 10, 2006 (the “Series 2006 Bonds”), and (b) pay the costs of issuing the Series 2013 Refunding Bonds. The District issued the Series 2006 Bonds pursuant to a resolution duly passed and adopted by the Board and which were authorized by the required majority of the qualified voters of the District voting at an election held by the District on February 15, 2005 to (a) finance various capital projects within the District (the “Prior 2006 Projects”), and (b) pay the costs of issuing the Series 2006 Bonds. The District issued the Series 2013 New Money Bonds pursuant to a resolution duly passed and adopted by the Board and which were authorized by the required majority of the qualified voters of the District voting at an election held by the District on May 14, 2013 to (a) finance various capital projects within the District (the “Prior 2013 Project” and together with the Prior 2006 Projects, the “Prior Projects”), and (b) pay the costs of issuing the Series 2013 New Money Bonds.

The District issued the Taxable Series 2021 Bonds pursuant to a resolution duly passed and adopted by the Board to (a) advance refund and defease on a taxable basis certain of the District’s then-outstanding Series 2013 New Money Bonds, (b) advance refund and defease on a taxable basis certain of the District’s then-outstanding Series 2013 Refunding Bonds, and (c) pay the costs of issuing the Series 2021 Bonds. The District issued the Series 2013 New Money Bonds and the Series 2013 Refunding Bonds for the purposes as previously articulated above.

In addition to the Bonds (once issued), the District has certain other outstanding general obligation indebtedness (all general obligation indebtedness of the District, excluding the Bonds, are referred to herein as the “Outstanding Bonds”) as set forth in “APPENDIX A—DEBT MANAGEMENT—OUTSTANDING GENERAL OBLIGATION INDEBTEDNESS.”

**THE BONDS**

**General**

The Bonds will be issued in the principal amount of \$5,000 or any integral multiple thereof (“Authorized Denominations”), be dated their date of delivery, which is expected to be April 16, 2026\* (the “Dated Date”), bear interest from the Dated Date payable on June 15 and December 15 of each year, commencing June 15, 2026\* (each, an “Interest Payment Date”), mature on December 15 in the years and the principal amounts, and bear interest at the rates (calculated on the basis of a 360–day year consisting of twelve, 30–day months) set forth on the inside cover. Each installment of interest is payable by wire transfer

---

\* Preliminary, subject to change.

or check or draft mailed by BOKF, National Association (the “Registrar”) on the due date thereof (or on the next business day if such due date falls on a Saturday, Sunday or bank holiday applicable to the Registrar) to the registered owner of any Bond shown on the bond registration records of the District maintained by the Registrar as of the Record Date (hereinafter defined). The principal of each Bond is payable only upon the surrender of such Bond to the Registrar. The “Record Date” for each payment of interest shall be the close of business on the fifteenth day prior to an Interest Payment Date.

## **Book-Entry System**

**General.** The Depository Trust Company (“DTC”) will act as securities depository for the Bonds. The ownership of one fully registered Bond for each maturity, as set forth on the inside cover hereof, each in the aggregate principal amount of such maturity, will be registered in the name of Cede & Co., as DTC’s nominee. Ownership interests in the Bonds will be available to purchasers through a book-entry system maintained by DTC (the “Book-Entry System”). A description of DTC, the Book-Entry System and definitions of initially capitalized terms used under this caption are found in “APPENDIX D — BOOK-ENTRY SYSTEM.”

**Risk Factors.** Beneficial Owners of the Bonds may experience some delay in their receipt of distributions of the principal or redemption price of and interest on the Bonds because such distributions will be forwarded by the Registrar to DTC, credited by DTC to its Direct Participants, and then credited to the accounts of the Beneficial Owners either directly or indirectly through Indirect Participants.

Because transactions in the Bonds can only be effected through DTC, DTC Participants and certain banks, the ability of a Beneficial Owner to pledge Bonds to persons or entities that do not participate in the Book Entry System, or otherwise to take actions in respect of such Bonds, may be limited due to the lack of physical certificates. The Registrar will not recognize Beneficial Owners as registered owners for purposes of the Bond Resolutions, and Beneficial Owners will be permitted to exercise the rights of registered owners only indirectly through DTC and DTC Participants.

## **Redemption Provisions\***

**Optional Redemption.** The Bonds are subject to redemption prior to maturity at the option of the District at any time on December 15, 2036, or any date thereafter, in whole, or in part in such principal amounts and from such maturity or maturities as the District in its sole and absolute discretion shall determine, at a redemption price equal to the principal amount thereof, together with the interest accrued thereon to the date of redemption, with no premium. If less than all of the Bonds of any maturity are to be called for redemption, the Registrar shall select by lot the particular Bonds of such maturity to be redeemed in Authorized Denominations within a maturity.

**Redemption - Bonds Held by DTC.** If the Bonds are being held by DTC under the book-entry system and less than all of such Bonds within a maturity are being redeemed, DTC’s current practice is to determine by lot the amount of the interest of each DTC participant in such maturity to be called for redemption, and each DTC participant is to then select by lot the ownership interest in such maturity to be redeemed.

**Notice of Redemption.** Notice of the call for redemption, identifying the Bonds or portions thereof to be redeemed, shall be given by the Registrar to the registered owners of the Bonds to be redeemed at their registered addresses as shown on the registration books maintained by the Registrar, by first-class mail, postage prepaid, not less than 30 days prior to the date fixed for redemption (or such shorter period as may be acceptable to the then registered owner of the Bonds). Failure to give notice to any particular

---

\* Preliminary; subject to change.

registered owner or any defect in the notice given to such owner shall not affect the validity of the proceedings calling the Bonds for redemption or the redemption of any Bonds for which proper notice has been given.

***Effect of Redemption.*** If notice of redemption has been properly given or waived and moneys for payment are available on the redemption date, the Bonds so called for redemption shall, on the redemption date, become due and payable and shall cease to bear interest and shall cease to be entitled to any lien, benefit or security under the Bond Resolutions and the owners of the Bonds so called for redemption shall have no rights under the Bond Resolutions except to receive payment of the redemption price plus accrued interest to the date fixed for redemption from funds deposited with the Registrar by the District.

### **Interchangeability; Transfer and Payment**

Each Bond when issued shall be registered by the Registrar in the name of the owner thereof on the Bond Register. Bonds are transferable only upon the Bond Register upon presentation and surrender of the Bonds, together with instructions for transfer. Upon any such registration of transfer, the District shall execute and the Registrar shall authenticate and deliver in exchange for such Bond, a new Bond registered in the name of the transferee, of any denomination or denominations authorized by the Bond Resolutions, of the same series and maturity and in the same aggregate principal amount and bearing interest at the same rate. Bonds may be exchanged at the principal office of the Registrar for a like aggregate principal amount of Bonds and the District shall execute and the Registrar shall authenticate and deliver Bonds which the owner making the exchange is entitled to receive, bearing numbers not contemporaneously then outstanding and of the same series, maturity and bearing interest at the same rate as the Bonds surrendered for exchange.

In all cases in which the privilege of exchanging or transferring the Bonds is exercised, the District shall execute and the Registrar shall deliver the Bonds in accordance with the Bond Resolutions. For every such transfer or exchange of Bonds, the Registrar shall require the payment by the registered owner requesting such transfer or exchange of any tax or other governmental charges payable with respect thereto, and may charge a sum not exceeding the actual cost for each new Bond.

The foregoing procedures will not apply to the Bonds so long as they held are in book-entry form. The transfer and exchange of Bonds held in book-entry form will be governed by the procedures described in "APPENDIX D — BOOK-ENTRY SYSTEM."

The District and the Registrar may treat the registered owner of any Bond as the absolute owner of such Bond for the purpose of making payment thereon and for all other purposes. All payments on account of interest or principal made to the registered owner of any Bond shall be valid and effectual and shall be a discharge of the District and the Registrar in respect of the liability upon such Bond or claims for interest to the extent of the sum or sums so paid.

### **SECURITY**

The District has irrevocably pledged its full faith, credit, resources and taxing powers to the payment of the principal or redemption price of and interest on the Bonds. The District has the power and is obligated to levy ad valorem taxes without limitation as to rate or amount upon all property subject to taxation by the District sufficient to pay the principal or redemption price of and interest on the Bonds, which taxes shall be in excess of and in addition to all other taxes now or hereafter authorized to be levied by the District.

The Outstanding Bonds are, and any Additional Bonds, if and when issued, will be, general obligation bonds of the District on a parity with the Bonds and equally and ratably secured by the pledge of its full faith and credit and its taxing power. The District has covenanted with respect to the Outstanding

Bonds, and will covenant with respect to any Additional Bonds it may issue, to levy and collect annually a special levy of taxes on all the taxable property in the District, in addition to all other taxes – including the levy relating to the Bonds – sufficient in rate and amount to pay the principal of, premium, if any, and interest on the Outstanding Bonds and any Additional Bonds. See “NEBRASKA DEVELOPMENTS RELATED TO BUDGETS AND TAXATION” herein.

## **BONDHOLDERS’ RISKS**

The Bonds and other general obligation indebtedness of the District are payable from general ad valorem taxes levied upon the taxable property in the District without limit as to rate or amount and other available moneys for the District. Prospective purchasers of the Bonds should be aware that investment in the Bonds may entail some degree of risk. Each prospective investor in the Bonds is encouraged to read this Official Statement in its entirety. Particular attention should be given to the factors described below which could affect the payment of debt service on the Bonds and could affect the market price of the Bonds to an extent that cannot be determined. This discussion of risk factors is not, and is not intended to be, exhaustive.

### **Absence of Credit Enhancement**

No credit enhancement (such as bond insurance or a letter of credit) has been or will be obtained by the District in connection with the issuance of the Bonds. Prospective purchasers must look solely to the District and its levy of ad valorem taxes as described herein for repayment of the principal of the Bonds, any premium, and the interest thereon.

### **Lack of Market for the Bonds**

The Bonds will not be listed on a securities exchange or inter-dealer quotation system. Although the Underwriter presently intends to make a market for the Bonds, the Underwriter is not obligated to purchase any of the Bonds in the future, and such market making may be discontinued at any time. There can be no assurance that there will be a secondary market for the Bonds, and the absence of such a market for the Bonds could result in investors not being able to resell their Bonds should they need or wish to do so.

### **No Mortgage or Collateral**

The Bonds are not secured by a mortgage, deed of trust or security interest in any real or personal property of the District, including the Project being financed with the proceeds of the Series A Bonds and the Prior Projects being refinanced with the proceeds of the Series B Bonds. Accordingly, the Bondholders will not have any right to exercise remedies against the real or personal property of the District upon any event of a default with respect to the Bonds.

### **Limitation of Rights upon Insolvency**

The United States Bankruptcy Code enables debtors, including municipalities, counties and school districts, which are insolvent to obtain relief through petition and plan which may result in the modification or delay of payments to creditors, including bondholders. Relief under Chapter 9 of the federal Bankruptcy Code is available only to those municipalities which are specifically authorized to be a debtor under such Chapter by state law or by a governmental officer or organization empowered by state law to authorize such entity to be a debtor under Chapter 9. The State has authorized its political subdivisions, including school districts such as the District, to seek relief under the United States Bankruptcy Code by statute. Upon any insolvency upon the part of the District, the holders of the Bonds likely would represent general unsecured obligations of the District. The extent to which the exception from limitations upon overall tax rates

provided for in existing legislation, including the provisions of “Budget Limitations” and “Levy Limitations” (as such terms are defined and described below under the heading “NEBRASKA DEVELOPMENTS RELATED TO BUDGETS AND TAXATION”), might entitle bondholders to be treated as a separate class or otherwise given priority over other unsecured claimants is a matter that would be subject to future determinations of Nebraska state and federal courts interpreting and applying both State law and the United States Bankruptcy Code. Procedures under the United States Bankruptcy Code or other insolvency laws could result in delays in payment and modifications of payment rights.

### **Redemption Prior to Maturity**

In considering whether to make an investment in the Bonds, potential investors should consider the information included under the heading “THE BONDS—Redemption Provisions” herein. Upon any redemption of the Bonds, such called Bonds shall be redeemed at par and not with any premium. Investors purchasing Bonds at a discount or a premium should consult with their tax advisors regarding the effects of any such redemption at par.

### **Tax Treatment of the Bonds; Changes in Federal and State Law**

The Internal Revenue Code of 1986, as amended (the “Code”) establishes certain requirements that must be met subsequent to the issuance of the Bonds in order that interest thereon be and remain excludable from gross income for federal income tax purposes. Failure to comply with such requirements could cause the interest on the Bonds to be includable in gross income retroactive to the date of original issuance of the Bonds. In addition, from time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax status of the Bonds or adversely affect their market value. The District cannot predict whether or in what form any such proposal might be enacted or whether if enacted it would apply to bonds issued prior to enactment.

### **Nebraska Developments Related to Budgets and Taxation**

From time to time the State Legislature has taken actions designed to reduce the reliance of local governmental units on property taxation. For a discussion of such changes, see “NEBRASKA DEVELOPMENTS RELATED TO BUDGETS AND TAXATION” herein.

### **Fluctuations in State Revenues**

The State, like many other states, experiences fluctuations in collections of revenues relating to general economic conditions as they impact enterprises throughout the State. Decreased collections can result in lower forecasts of revenues for the budgeting purposes of the State. In response to this change in revenue receipts and forecasts, the State Legislature may increase certain taxes and/or reduce State expenditures, including State contributions to certain political subdivisions. Further consideration of decreased aid to local governments, including school districts, may occur in regular legislative sessions and, possibly, in one or more special sessions. There can be no assurance concerning levels of expenditure by the State affecting school districts.

### **Cybersecurity**

Computer networks and data transmission and collection are vital to the efficient operation of the District. Despite the implementation of network security measures by the District, its information technology and infrastructure may be vulnerable to deliberate attacks by hackers, malware, ransomware, or computer virus, or may otherwise be breached due to employee error, malfeasance, or other disruptions. Any such breach could compromise networks, and the information stored thereon could be disrupted, accessed, publicly disclosed, lost, or stolen. Although the District does not believe that its information

technology systems are at a materially greater risk of cybersecurity attacks than other similarly situated governmental entities, any such disruption, access, disclosure, or other loss of information could have an adverse effect on the District's operations and financial health. Further, as cybersecurity threats continue to evolve, the District may be required to expend significant additional resources to continue to modify and strengthen security measures, investigate, and remediate any vulnerabilities, or invest in new technology designed to mitigate security risks.

## NEBRASKA DEVELOPMENTS RELATED TO BUDGETS AND TAXATION

### General

The District's principal sources of revenue for its general fund are local property taxes and State Aid. Local property taxes constitute the District's largest revenue sources, but are subject to certain limitations as discussed below. State Aid for each school district is determined annually based on student adjustment weightings and a variety of other factors including taxable valuations and per-student costs.

The system of assessing and taxing personal property by the State for purposes of local ad valorem taxation for support of local political subdivisions, including the District, has from time to time been the object of controversy, legal challenges, constitutional initiative petitions and legislative action.

### Budget and Levy Limitations

**General.** The Nebraska Legislature has imposed budget limitations and property tax restrictions on Nebraska political subdivisions, including public school districts, intended to reduce the level of property taxation and expenditures within the State. Budget limitations relating to school districts (Section 79-1023 *et seq.*, Reissue Revised Statutes of Nebraska, as amended, and related sections, the "**Budget Limitations**") limit the growth in general fund expenditures for school districts. Tax levy limitations (Section 77-3442 *et seq.*, Reissue Revised Statutes of Nebraska, as amended, and related sections, the "**Levy Limitations**") provide for an overall limitation on tax rates levied by school districts. The Budget Limitations, because they apply only to general fund expenditures, do not limit the budgeting of expenditures for debt service on bonded indebtedness.

Similarly, the Levy Limitations expressly exclude property tax levies relating to bonded indebtedness (other than bonded indebtedness incurred by a school district pursuant to Section 44-4317, Reissue Revised Statutes of Nebraska, as amended), certain lease purchase obligations approved prior to July 1, 1998 and building fund levies relating to projects established prior to April 1, 1996; provided, however, that any combined levy of a school district in excess of the greater of (a) \$1.20 per one hundred dollars (\$100) of taxable value or (b) the maximum levy authorized by a vote pursuant to Section 77-3444, Reissue Revised Statutes of Nebraska, as amended, except levies for bonded indebtedness approved by the voters of the school district and levies for the refinancing of such bonded indebtedness, is considered an unauthorized levy pursuant to Section 77-1606, Reissue Revised Statutes of Nebraska, as amended. **As the Bonds are general obligations of the District payable from the special property tax levy authorized by law and approved by the voters of the District, neither the tax levy nor the corresponding expenditures to pay debt service on the Bonds are subject to the Levy Limitations or the Budget Limitations.**

**Budget Limitations.** Under the Budget Limitations, a school district may not increase its general fund expenditures by more than its budget authority established each year by the Nebraska Department of Education. A district's budget authority for general fund expenditures is calculated using the formula set forth in Section 79-1023, Reissue Revised Statutes of Nebraska. Such calculation is subject to modification from year to year by the Nebraska Legislature. The Budget Limitations are part of the system for determining aid from the State and are to be enforced through the office of the Auditor of Public Accounts

of the State and the Nebraska Department of Education. State Aid may be withheld from governmental units which fail to comply. *Such budgetary limitations do not apply to, among other things, revenue pledged to retire bonded indebtedness, such as the Bonds.*

**Levy Limitations – Levy Rate Limitations.** Under the Levy Limitations the rates for levying property taxes have been limited for each type of governmental unit in the State. The rate of levy for school districts, such as the District, may not exceed more than \$1.05 per one hundred dollars (\$100) of taxable value. The District’s general fund levy for the 2025-26 fiscal year is set at \$0.9450 per one hundred dollars (\$100) of taxable valuation, which includes certain exclusions permitted under the Levy Limitations, such as sums paid to certificated employees in exchange for voluntary termination of employment and special building funds and sinking funds established for construction, expansion or alteration projects commenced prior to April 1, 1996. In addition, property tax levies to pay bonded indebtedness (such as the Bonds, the Outstanding Bonds and any Additional Bonds, if any when issued) and lease-purchase contracts approved prior to July 1, 1998 are not included in such limitation (taxes to pay bonds issued by school districts pursuant to Section 44-4317, Reissue Revised Statutes of Nebraska, as amended, are included in such limitation, but the District has not issued any bonds pursuant to such statute). Any combined tax levy of a school district in excess of the greater of (a) \$1.20 per one hundred dollars (\$100) of taxable value or (b) the maximum levy authorized by a vote pursuant to Section 77-3444, Reissue Revised Statutes of Nebraska, as amended, except levies for bonded indebtedness approved by the voters of the school district (such as the Bonds, the Outstanding Bonds and any Additional Bonds, if any when issued), and levies for the refinancing of such bonded indebtedness is considered an unauthorized levy pursuant to Section 77-1606, Reissue Revised Statutes of Nebraska, as amended. *Any tax levied to pay the principal of and interest on the Bonds will not be subject to the Levy Limitations.*

**Levy Limitations – Dollar Levy Limitations.** In addition to the levy rate limitation, the Nebraska Department of Education must certify to each school district the overall dollar amount of property tax authority available to be levied each year by each school district. Each school district’s overall levy amount must remain within such dollar levy authority. The dollar levy authority is calculated each year by (a) adding a district’s property tax request for the prior year to the district’s non-property-tax revenue for the prior year; (b) then increasing such amount by the district’s base growth percentage; and (c) the product of (b) is then decreased by the amount of non-property-tax revenue for the district’s current year. A district’s base growth percentage is the sum of 3%, plus an additional limited amount based on certain growth factors for each district. Any unused property tax request authority may be carried forward by the District to future years. A district may increase its base growth percentage with an approving vote of at least 70% of its board of education by an additional 4% to 7%, depending on the district’s average daily membership. With an average daily membership of 22,378.40 students (for the District’s 2024/25 fiscal year), the District’s Board could increase the District’s base growth percentage by an additional 4% for a total of 7%. In addition, a district’s property tax request may exceed its property tax authority by an amount approved by at least 60% of legal voters voting on the issue at a special election called for such purpose. *The limitation described in this paragraph does not apply to that portion of a district's property tax request that is needed to pay the principal and interest on approved bonds, including the Bonds.*

**Building Fund.** Section 79-10,120, Reissue Revised Statutes of Nebraska, as amended, authorizes a building fund tax levy of not to exceed 14 cents (\$0.14) on each one hundred dollars (\$100) of taxable valuation. Funds collected from this tax levy may be used solely for acquiring, constructing, erecting, altering, equipping and furnishing school buildings and additions thereto for elementary and high school grades. The District’s building fund levy for the 2025-26 fiscal year is set at \$0.0300 per one hundred dollars (\$100) of taxable valuation. Under current statutes such levying authority is subject to the Levy Limitations but is not included within the budgeted expenditure limitations provided for in the Budget Limitations. The District may not use amounts collected from the building fund levy to pay the principal of and interest on the Bonds.

**LB 2 Bond Valuation.** Prior to January 1, 2022, for purposes of levying both general fund taxes and taxes to pay debt service on general obligation bonds, all real property in the State, not expressly exempt therefrom, was generally subject to taxation and valued at its actual value. An exception existed for agricultural land and horticultural land, as defined in Section 77-1359, Reissue Revised Statutes of Nebraska, as amended, which was subject to taxation, unless expressly exempted from taxation, and valued at 75% of its actual value. In 2021, the Nebraska Legislature adopted LB 2, which was signed by the Governor and became effective January 1, 2022. Under LB 2, for school district taxes levied to pay the principal and interest on bonds approved by a vote of the people on or after January 1, 2022, agricultural land and horticultural land is valued at 50% of its actual value (the “**LB 2 Bond Valuation**”). At the Election held on February 11, 2025, the Series A Bonds were approved by a majority of electors voting at such Election, and therefore taxes to pay debt service on the Series A Bonds will be levied against the District’s LB 2 Bond Valuation and not the District’s valuation for general fund and other purposes. Although the LB 2 Bond Valuation is less than the District’s overall valuation, because the Series A Bonds are general obligations of the District and the District has covenanted to cause to be levied and collected annually a special levy of taxes on all the taxable property in the District, in addition to all other taxes, sufficient in rate and amount to pay the principal of, premium, if any, and interest on the Series A Bonds as and when the same become due (See “THE BONDS – Security” above), the District does not expect LB 2 to have any impact on the District’s ability to repay the Series A Bonds.

### **State Aid**

State Aid is funded through the collection of Statewide sales and income taxes. Legislative enactments in recent years have both increased and decreased the amounts of funds available for State Aid to school districts, as well as established and revised procedures and formulae for the distribution of State Aid to school districts. The District expects to receive approximately \$65,398,587 in State Aid in fiscal year 2025-26 and expects to receive approximately \$71,753,162 in fiscal year 2026-27. State Aid amounts fluctuate from year to year based upon factors set in the related statutes, and the District’s State Aid amount could increase or decrease in future years.

### **Motor Vehicle Taxes**

State law allocates to each school district 60% of the motor vehicle taxes and fees (less a 1% county treasurer collection fee) arising from motor vehicles within the school district. Motor vehicle valuations are not included in the District’s property tax base, and the District, like other taxing subdivisions, receives distributions of such taxes collected by Douglas County. State law further requires school districts to deposit such distributions of taxes into their general funds, and such moneys are not available to repay bonded indebtedness, including the Bonds.

### **Additional Considerations**

Methods currently used to finance the needs of school districts and other local units may be altered depending upon future actions taken by voters of the State under initiative and referendum provisions of the State constitution, future actions of the Nebraska Legislature and future decisions of State and federal courts.

## **LEGAL MATTERS**

### **Legal Proceedings**

As of the date hereof, there is no controversy, suit or other proceeding of any kind pending or threatened in or by which any question is raised or may be raised, questioning, disputing or affecting in any way the legal organization of the District or its boundaries, or the right or title of any of its officers to his

or her respective office, or the legality of any official act in connection with the authorization, issuance and sale of the Bonds, or the constitutionality or validity of the Bonds or any of the proceedings had in relation to the authorization, issuance or sale thereof, or the levy and collection of a tax to pay the principal and interest thereof, or which might affect the District's ability to meet its obligations to pay the Bonds.

## **Legal Opinion**

Legal matters incident to the issuance of the Bonds and with regard to the tax-exempt status of the interest thereon, are subject to the legal opinion of Kutak Rock LLP, Omaha, Nebraska, Bond Counsel. A signed copy of that opinion for the Bonds, dated and premised on facts and laws existing as of the date of original delivery of the Bonds, will be delivered to the Underwriter at the time of such original delivery. In rendering its legal opinions, Bond Counsel will rely upon certifications and representations of fact to be contained in the transcript of proceedings which Bond Counsel will not have independently verified.

In its capacity as Bond Counsel, Kutak Rock LLP has participated in the preparation of, and has reviewed those portions of, this Official Statement pertaining to the Bonds, and the tax-exempt status of the interest on the Bonds contained under the captions "THE BONDS," "SECURITY" and "TAX MATTERS" herein. Bond Counsel has not been retained to pass upon any other information in this Official Statement, including Appendix A, Appendix B and Appendix D, or in any other reports, financial information, offering or disclosure documents or other information pertaining to the District or the Bonds that may be prepared or made available by the District or others to the prospective purchasers of the Bonds or to others.

## **TAX MATTERS**

### **Federal Tax Matters**

***Tax Opinions.*** In the opinion of Kutak Rock LLP, Bond Counsel, under existing laws, regulations, rulings and judicial decisions, interest on the Bonds is excludable from gross income for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax imposed on individuals. The opinions described in the preceding sentence assume the accuracy of certain representations and compliance by the District with covenants designed to satisfy the requirements of the Code that must be met subsequent to the issuance of the Bonds. Failure to comply with such requirements could cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to the date of issuance of the Bonds. The District has covenanted to comply with such requirements. Interest on the Bonds may affect the federal alternative minimum tax imposed on certain corporations.

The accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of the owners of the Bonds. The extent of these other tax consequences will depend on such owners' particular tax status and other items of income or deduction. Bond Counsel has expressed no opinion regarding any such consequences.

Purchasers of the Bonds, particularly purchasers that are corporations (including S corporations, foreign corporations operating branches in the United States of America, and certain corporations subject to the alternative minimum tax imposed on corporations), property or casualty insurance companies, banks, thrifts or other financial institutions, certain recipients of social security or railroad retirement benefits, taxpayers entitled to claim the earned income credit, taxpayers entitled to claim the refundable credit in Section 36B of the Code for coverage under a qualified health plan or taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, should consult their tax advisors as to the tax consequences of purchasing or owning the Bonds.

***Original Issue Premium.*** Bonds sold at initial public offering prices that are greater than the respective stated amounts to be paid at maturity constitute "**Premium Bonds**". An amount equal to the

excess of the issue price of a Premium Bond over its stated redemption price at maturity constitutes premium on such Premium Bond. An initial purchaser of a Premium Bond must amortize any premium over the term of such Premium Bond using constant yield principles, based on the purchaser's yield to maturity (or, in the case of a Premium Bond callable prior to its maturity, by amortizing the premium to the call date, based on the purchaser's yield to the call date and giving effect to any call premium). As premium is amortized, the purchaser's basis in such Premium Bond is reduced by a corresponding amount resulting in an increase in the gain (or decrease in the loss) to be recognized for federal income tax purposes upon a sale or disposition of such Premium Bond prior to its maturity. Even though the purchaser's basis may be reduced, no federal income tax deduction is allowed. Purchasers of a Premium Bond should consult with their tax advisors with respect to the determination and treatment of amortizable premium for federal income tax purposes and with respect to the state and local tax consequences of owning a Premium Bond.

***Not Bank-Qualified.*** The Bonds are not "qualified tax-exempt obligations" within the meaning of Section 265(b)(3) of the Code.

***Backup Withholding.*** An owner of a Bond may be subject to backup withholding at the applicable rate determined by statute with respect to interest paid with respect to the Bonds if such owner fails to provide to any person required to collect such information pursuant to Section 6049 of the Code with such owner's taxpayer identification number, furnishes an incorrect taxpayer identification number, fails to report interest, dividends or other "reportable payments" (as defined in the Code) properly, or, under certain circumstances, fails to provide such persons with a certified statement, under penalty of perjury, that such owner is not subject to backup withholding.

***No Other Opinion.*** Bond Counsel expresses no other opinion regarding the federal tax consequences arising with respect to the Bonds.

## **State Tax Matters**

In the opinion of Bond Counsel, under the existing laws of the State, the interest on the Bonds is exempt from Nebraska state income taxation so long as it is exempt for purposes of the federal income tax. Bond Counsel expresses no other opinion regarding the State or local tax consequences arising with respect to the Bonds.

## **Changes in Federal and State Tax Law**

From time to time, there are legislative proposals in the Congress and in the states that, if enacted, could alter or amend the federal and state tax matters referred to above or adversely affect the market value of the Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether if enacted it would apply to indebtedness issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value of the Bonds. It cannot be predicted whether any such regulatory action will be implemented, how any particular litigation or judicial action will be resolved, or whether the Bonds or the market value thereof would be impacted thereby. Purchasers of the Bonds should consult their tax advisors regarding any pending or proposed legislation, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based on existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Bonds, and Bond Counsel expresses no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives or litigation.

## MISCELLANEOUS

### Rating

S&P Global Ratings, a Standard and Poor's Financial Services LLC business ("S&P") has assigned the Bonds a rating of "\_\_\_\_\_". Any explanation of the significance of such rating should be obtained from S&P. A rating is not a recommendation to buy, sell or hold the Bonds. The District furnished S&P's with certain information and materials relating to the Bonds and the District which have not been included in this Official Statement. Generally, a rating agency bases its rating on the information and materials so furnished and on investigations, studies and assumptions made by such rating agency. There is no assurance that a particular rating will be maintained for any given period of time or that it will not be lowered or withdrawn entirely if, in the judgment of the agency originally establishing the rating, circumstances so warrant. Except as set forth in APPENDIX C—FORM OF CONTINUING DISCLOSURE CERTIFICATE, neither the District nor the Underwriter has undertaken any responsibility either to bring to the attention of the owners of the Bonds any proposed revision or withdrawal of the rating of the Bonds or to oppose any such proposed revision or withdrawal. Any such change in or withdrawal of such rating could have an adverse effect on the market price of the Bonds.

### Continuing Disclosure

In connection with the issuance of the Bonds, the District will execute and deliver a Continuing Disclosure Certificate (the "Disclosure Certificate"), pursuant to the requirements of Securities and Exchange Commission Rule 15c2-12 (the "Rule") under which the District will send certain financial information and operating data and provide notice of certain listed events to the Municipal Securities Rulemaking Board (the "MSRB") through the MSRB's Electronic Municipal Market Access system ("EMMA"). EMMA is an internet-based, online portal for free investor access to municipal bond information, including offering documents, listed event notices, real-time municipal securities trade prices and MSRB education resources, available at [www.emma.msrb.org](http://www.emma.msrb.org). Nothing contained on EMMA relating to the Bonds is incorporated by reference in this Official Statement. The proposed form of the Disclosure Certificate is included in this Official Statement as "APPENDIX C —FORM OF CONTINUING DISCLOSURE CERTIFICATE."

The Rule requires that the District disclose in this Official Statement any instances in the previous five years in which the District has failed to comply, in all material respects, with any previous undertakings in a written contract or agreement specified in paragraph (b)(5)(i) of the Rule. In connection with one or more issues of debt previously issued by the District, the District undertook to provide certain ongoing disclosure regarding the District (collectively, the "Prior Undertakings") pursuant to written agreements specified in paragraph (b)(5)(i) of the Rule, which are substantially similar to the Disclosure Certificate. Each Prior Undertaking obligated the District to disclose, by the deadline set forth in each such Prior Undertaking, the District's Annual Report, which consists of the District's audited financial statements and certain financial information and operating data concerning the District. During the previous five years, the District did not file certain annual operating data for its fiscal years ended August 31, 2021, 2022, 2023 and 2024 and did not file or timely file notices of its failures to provide the aforementioned information on or before the date specified in the Prior Undertakings.

The District has implemented written procedures in furtherance of its compliance with the Rule and has designated the Associate Superintendent for General Administration as the Compliance Officer under such procedures. A failure by the District to comply with the Disclosure Certificate will not constitute a default under the Bond Resolutions, although bondholders will have any available remedy at law or in equity. Any such failure must be reported in accordance with the Rule and must be considered by any broker, dealer or municipal securities dealer before recommending the purchase or sale of the Bonds in the

secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the Bonds and their market price.

### **Underwriting**

D.A. Davidson & Co., as Underwriter, has agreed to purchase the Bonds from the District pursuant to a bond purchase agreement (the “Purchase Agreement”), subject to certain conditions described therein, at a price equal to \$\_\_\_\_\_, (par, plus original issue premium of \$\_\_\_\_\_, less an underwriting discount of \$\_\_\_\_\_ plus accrued interest, if any). The Purchase Agreement provides that the Underwriter shall purchase the Bonds in the aggregate principal amount thereof if any such Bonds are purchased, subject to certain conditions therein.

The Underwriter intends to offer the Bonds to the public initially at the offering prices set forth on the inside cover page of this Official Statement, which may subsequently change without any requirement of prior notice. The Underwriter reserves the right to join with dealers and other underwriter(s) in offering the Bonds to the public. The Underwriter may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) at prices lower than the public offering prices. In connection with this offering, the Underwriter may over allot or effect transactions that stabilize or maintain the market price of the Bonds at a level above that which might otherwise prevail in the open market. Such stabilizing, if commenced, may be discontinued at any time.

While the Underwriter expects, insofar as possible, to maintain a secondary market for the Bonds, no assurance can be given concerning the future maintenance of such a market by the Underwriter or others, and prospective purchasers of the Bonds should therefore be prepared to hold their Bonds to their maturity.

The Underwriter is not acting as a financial advisor to the District in connection with the offer and sale of the Bonds.

### **Independent Auditors**

The financial statements of the District, as of and for the fiscal year ended August 31, 2025, included in “APPENDIX B — INDEPENDENT AUDITORS’ REPORT AND FINANCIAL STATEMENTS,” have been audited by BerganKDV LLC, independent auditors, as stated in their report appearing therein.

### **Certification and Other Matters Regarding Official Statement**

Information set forth in this Official Statement has been furnished or reviewed by certain officials of the District, certified public accountants, and other sources, as referred to herein, which are believed to be reliable. Any statements made in this Official Statement involving matters of opinion, estimates or projections, whether or not so expressly stated, are set forth as such and not as representations of fact, and no representation is made that any of the estimates or projections will be realized.

Simultaneously with the delivery of the Bonds, the Superintendent of the District, acting on behalf of the District, will furnish to the Underwriter a certificate stating, among other things, that to the best knowledge and belief of such officer, this Official Statement (and any amendment or supplement hereto) as of the date of sale and as of the date of delivery of the Bonds does not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements herein, in light of the circumstances under which they were made, not misleading in any material respect.

The District will, upon delivery of the Bonds, certify that there is no litigation pending affecting the validity of the Bonds as of the date of delivery.

The District has approved the form of this Official Statement, and its distribution and use by the Underwriter. Neither the District nor any of its officers, directors or employees, in either their official or personal capacities, has made any warranties, representations or guarantees regarding the financial condition of the District or the District's ability to make payments required of it; and further, neither the District nor its officers, directors or employees assumes any duties, responsibilities or obligations in relation to the issuance of the Bonds other than those either expressly or by fair implication imposed on the District by the Bond Resolutions.

The District issues this Official Statement.

### Part I

## INFORMATION CONCERNING THE DISTRICT

### GENERAL INFORMATION

The District is located in the southwestern portion of the City of Omaha and in adjacent Sarpy County, Nebraska within the Omaha metropolitan area, approximately ten miles from the Omaha central business district. District officials estimate that at present the population is approximately 125,000. The District encompasses approximately thirty-five square miles (22,400 acres) and is the third largest school district in Nebraska (the “State”) with 22,322 students as of the beginning of the 2025-2026 school year. The District operates twenty-five elementary schools, six middle schools, three senior high schools and one alternative high school. The District has been accredited by the State Department of Education with a rating of “AA,” the highest rating given by the Department. All of the schools in the District have been accredited by the North Central Association of Colleges and Schools.

The District’s boundaries were coterminous with the city limits of the former City of Millard, Nebraska in 1957, when reorganization of the District was initiated. In 1959, reorganization was completed and seven rural districts joined the District. Despite the annexation of the City of Millard by the City of Omaha in 1971, the District remains a separate and independent unit. The following table illustrates the growth of the District.

#### Students and Faculty (Previous Five Years)

SCHOOL YEAR	STUDENTS			FACULTY
	Elementary	Secondary	Total	
2021-22	10,107	12,876	22,983	1,724
2022-23	10,050	12,789	22,839	1,728
2023-24	9,847	12,632	22,479	1,738
2024-25	10,354	12,435	22,789	1,730
2025-26	9,486	12,836	22,322	1,738

### Area Economy

The economic viability of the District is tied closely to the general economy of the City of Omaha.

### CITY OF OMAHA—GENERAL INFORMATION

*The following information about the City of Omaha, Nebraska is excerpted from previous City of Omaha Official Statements and is included because the District is located within the City’s boundaries and in the surrounding metropolitan area. **The Bonds are not a debt of, nor are they payable by, the City of Omaha.***

### Location and General Background

Omaha, founded in 1854, is the largest city in the State of Nebraska. Omaha is the hub of a vast transportation network leading to all parts of the nation and thus offers significant advantages to business and industry competing in regional and national markets. This fact is substantiated by the growth of population, employment and income during recent years.

### Area and Population

The U.S. Census Bureau in the 2020 Census reported the population of the eight-county Omaha Metropolitan Statistical Area (“MSA”), comprising five Nebraska counties and three Iowa counties,

numbered 968,493 with over 1.4 million within a 60-minute drive. The 2024 population estimate from the U.S. Census Bureau of the City is 489,265 and 1,001,010 for the MSA, reflecting an annual population growth rate of 1.0 percent over the last three years.

## **Transportation**

Over 5 million passengers and 120 million pounds of cargo and mail passed through Eppley Airfield, Omaha's principal airport, in 2024. In the last decade, Eppley Airfield has made over \$200 million in investments in terminal, apron, cargo area and runway expansions. It offers the capacity for continued growth to meet increasing demands. Eppley Airfield averaged 70 total departures per day in 2024, provided by seven national air carriers, seven air freight carriers and two full-service general aviation facilities. A total of 89 general aviation aircraft, including 42 executive jets, are based at Eppley Airfield. There are 70 passenger air carrier departures out of Eppley Airfield daily, including non-stop service to 34 airport destinations.

Omaha is general headquarters for the Union Pacific Railroad. The Burlington Northern Santa Fe and the Canadian National railroads also provide service and combine to make Omaha an important rail center.

Two interstate highways (Interstate 80 and Interstate 29), five federal highways and seven state highways provide fast all-weather routes within Nebraska and to and from the rest of the nation. In addition, Interstate 480 (downtown spur) and Interstate 680 (circumferential route) provide quick access to all parts of the metropolitan area.

More than 100 motor common carriers haul freight to and from Omaha and all parts of the nation, making Omaha a major Midwestern trucking center. Several bus lines operate between Omaha and points in Iowa, Illinois and Nebraska.

## **Utility Services**

Residential, commercial and industrial electric service rates in the State of Nebraska historically have been below the national averages. According to the Energy Information Administration, rates as of May 2025 were 24.6 percent below the national average for residential customers, 32.6 percent below for commercial customers, and 1.6 percent below for industrial customers. In addition to low rates, the Omaha Public Power District, a Nebraska political subdivision, assures its customers ample power with a net generating capability of 2,670 megawatts as of 2024.

The Metropolitan Utilities District ("MUD"), a Nebraska political subdivision, distributes natural gas and water in the Omaha area. Rates compare favorably with those prevailing in other metropolitan areas in the nation. According to the 2025 Memphis Gas and Light Utility Bill Comparisons, MUD's monthly residential gas rates ranked fourth lowest among the 39 utilities surveyed in the nation. Omaha has a plentiful water supply (Missouri River and Platte River wells and the Dakota sandstone aquifer) and a water system designed to the standards of the National Board of Fire Underwriters, with a current capacity in excess of 300 million gallons a day.

## **Education**

Omaha is an important educational center and is the location of Creighton University, the University of Nebraska at Omaha and the University of Nebraska Medical Center. These institutions, together with three additional colleges located in Omaha, offer educational programs at the graduate and undergraduate levels, in law and in the health professions: medicine, dentistry, nursing and pharmacy.

## **Health Services**

There are 13 hospitals within the City—six of them classified as acute-care community hospitals. Of the remaining seven hospitals, two are acute care hospitals operated by governmental entities (one by the State of Nebraska and one by Douglas County), four are specialized hospitals (pediatrics, maternity care, geriatrics and psychiatry) and one is a major hospital of the Veterans Administration. There are more than 2,800 physicians and surgeons and 360 dentists in Omaha; their services are utilized both by Omaha residents and by persons within the surrounding region.

## **Military**

The United States Strategic Command (“USSTRATCOM”) is headquartered at Offutt Air Force Base, just south of Omaha. The missions of USSTRATCOM are: to deter attacks on U.S. vital interests, to ensure U.S. freedom of action in space and cyberspace, to deliver integrated kinetic and non-kinetic effects to include nuclear and information operations in support of U.S. Joint Force Commander operations, to synchronize global missile defense plans and operations, to synchronize regional combating of weapons of mass destruction plans, to provide integrated surveillance and reconnaissance allocation recommendations to the Secretary of Defense, and to advocate for capabilities as assigned. The 2024 estimated economic impact of Offutt Air Force Base on the Greater Omaha community is more than \$2.9 billion.

## **Economy**

From an economy founded on the livestock industry in the late nineteenth century, Omaha is a major grain exchange market in the United States. Food processing is also an important part of the economy and is represented by such companies as ConAgra Brands, Inc., Kellogg Company and Omaha Steaks International.

The geographic centrality of Omaha in the United States has encouraged commercial development, and the City is home to four Fortune 500 companies, which represent a diverse array of industries: Berkshire Hathaway, Mutual of Omaha, Peter Kiewit Sons’, Inc. and Union Pacific Corp. The City is also home to four additional Fortune 1000 companies: Valmont Industries, Green Plains, Werner Enterprises and First National of Nebraska. The City’s economy continues to diversify. The Omaha MSA contains more than 700 manufacturing plants, including plants operated by Lozier Corporation and Valmont Industries Inc.

Omaha is the home of Peter Kiewit Sons’, Inc., one of the largest construction and mining organizations in North America, TD Ameritrade (acquired by Charles Schwab in 2023), a major discount stock brokerage firm, and over 100 insurance companies (with over 9,100 employees), including Mutual of Omaha, the world’s largest mutual health and accident company, and Woodmen of the World Life Insurance Society, the largest fraternal life insurance company in the United States. The district offices of the Farm Credit System for Nebraska, Iowa, South Dakota and Wyoming are headquartered in Omaha.

The City is economically attractive to potential residents. The annual cost of living in the region in 2024 across all categories was 91.9 percent of the national average. Omaha MSA residents enjoy a median household income of \$83,023 — 5.7 percent higher than the national median. The June 2025 unemployment rate for the Omaha MSA was 3.4 percent, compared with 4.4 percent for the United States.

\*Within the School District are various Sanitary and Improvement Districts ("SIDs") most of which have bonded debt and construction fund warrants outstanding. Bonded Debt and construction fund warrants of SIDs are retired from a combination of general taxes and special assessments levied against real estate and certain tangible personal property (not including automobiles). The SID construction fund warrants and bonded debt are not included in the calculation of the District's Debt to Valuation ratio.

### NEBRASKA SCHOOL EMPLOYEES RETIREMENT SYSTEM

The Nebraska School Employees Retirement Act (Sections 79-901 to 79-977, Reissue Revised Statutes of Nebraska, as amended, the “Retirement Act”) establishes a retirement system for school employees in the State (the “System”), except employees of the Omaha Public Schools, which are governed by a separate set of statutes. The System became effective (under prior statutes) in 1945. The Retirement Act requires payments by the State of Nebraska to fund, based upon actuarial calculations, unfunded accrued liabilities of the System which are not funded by the required contributions of participating school employees and contributions of the school districts.

Section 79-958 of the Retirement Act requires school district employees to contribute 9.78% of pay. Section 79-958 currently requires school districts to contribute an amount equal to 101% of the contributions of their employees. The current State of Nebraska contribution rate is 2%.

The unfunded accrued liability as of July 1, 2024 for all covered employees within the Nebraska School Employee Retirement System amounted to \$14,920,131. Actuarial Valuation Report as of July 1, 2024 by Cavanaugh Macdonald Consulting, LLC reports a positive contribution margin for the current plan year of 6.61%, resulting in no additional state funding required for that year.

## Independent Auditor's Report

Board of Education  
School District No. 17 - Millard Public Schools  
Douglas County, Nebraska

### **Report on the Audit of the Financial Statements**

#### **Opinions**

We have audited the accompanying cash basic financial statements of the governmental activities and each major fund of the School District No. 17 - Millard Public Schools, Douglas County, Nebraska (the "District"), as of and for the year ended August 31, 2025, and the related notes to the basic financial statements, which collectively comprise the District's basic financial statements as listed in the Table of Contents.

In our opinion, the accompanying basic financial statements present fairly, in all material respects, the respective cash basis financial position of the governmental activities and each major fund of the District as of August 31, 2025, and the respective changes in financial position-cash basis, thereof, for the year then ended in accordance with the cash basis of accounting described in Note 1.

#### **Basis for Opinions**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Emphasis of Matter - Basis of Accounting**

We draw attention to Note 1 of the basic financial statements, which describes the basis of accounting. The basic financial statements are prepared on the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America. Our opinions are not modified with respect to this matter.

#### **Responsibilities of Management for the Financial Statements**

Management of the District is responsible for the preparation and fair presentation of the basic financial statements in accordance with the cash basis of accounting described in Note 1, and for determining that the cash basis of accounting is an acceptable basis for the preparation of the basic financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the basic financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the basic financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, and *Governmental Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, and *Governmental Auditing Standards* we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### **Supplementary Information**

Our audit was conducted for the purpose of forming opinions on the basic financial statements that collectively comprise the District's basic financial statements. The accompanying supplementary information identified in the Table of Contents is presented for the purpose of additional analysis and is not a required part of the basic financial statements.

The supplemental information presented is the responsibility of management and has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

**Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated November 4, 2025, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

**School District No. 17 - Millard Public Schools  
Douglas County, Nebraska  
Notes to Basic Financial Statements**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. Organization**

School District No. 17 - Millard Public Schools, Douglas County, Nebraska (the "District") is a tax-exempt political subdivision and a Class 3 school district of the State of Nebraska.

**B. Reporting Entity**

The District's basic financial statements are presented as the primary government and include all significant schools, departments, activities, and organizations for which the District is financially accountable. The District has determined that there are no potential component units that meet the criteria for inclusion in the basic financial statements.

**C. Basis of Presentation**

**Government-Wide Financial Statements - The Statement of Net Position - Cash Basis and Statement of Activities - Cash Basis** display information about the reporting government as a whole. They include all funds of the reporting entity. The statements present the District's basic financial statements as governmental activities. Governmental activities generally are financed through taxes, intergovernmental revenues, and other non-exchange revenues. Alternatively, business-type activities are financed in whole or in part by fees charged to external parties for goods or services. The District does not operate any business-type activities.

**Fund Financial Statements - Fund financial statements** of the reporting entity are organized into funds, each of which is considered to be a separate accounting entity. Each fund is accounted for by providing a separate set of self-balancing accounts that constitute its cash, cash held by County Treasurers, investments, fund balance, receipts, and disbursements. All of the District's funds are presented as governmental funds. The District currently has no proprietary or fiduciary funds. An emphasis is placed on major funds within the governmental categories. A fund is considered major if it is the primary operating fund of the District, meets specific mathematical criteria set forth by Governmental Accounting Standards Board (GASB) or is identified as a major fund by the District's management. In addition to the District's funds meeting the required criteria, the District's management has designated all remaining funds to be presented as major funds for financial reporting purposes.

The funds of the financial reporting entity are described below:

**Governmental Fund Activities:**

**General Fund -** This fund is the primary operating fund of the District and is always classified as a major fund. It is used to account for all financing resources except those required to be accounted for in other funds. The District has three additional special revenue funds: contingency, employee and depreciation. However, in accordance with GASB Financial Reporting Standards, these funds have been consolidated into the general fund since their revenues are mainly transfers from the general fund. The contingency fund accounts for the reserve of money for unexpected events, the depreciation fund accounts for resources designated and maintained for the eventual purchase of capital assets and the employee benefit fund accounts for the reserve of money for the benefit of District employees for fringe benefits.

**School District No. 17 - Millard Public Schools  
Douglas County, Nebraska  
Notes to Basic Financial Statements**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**C. Basis of Presentation (Continued)**

Governmental Fund Activities: (Continued)

Special Revenue Funds - These funds are used to account for the proceeds of specific revenue sources that are either legally restricted to disbursements for specified purposes or designated to finance particular functions or activities of the District. The reporting entity includes the following special revenue funds:

- Special Building Fund - This fund accounts for taxes levied and other revenues specifically maintained to acquire or improve sites and/or to erect, alter or improve buildings.
- School Nutrition Fund - This fund accounts for the operations of the District's child nutrition programs.
- Activities Fund - This fund is used to account for assets held by the District in a trustee capacity for various school organizations and activities.
- Student Fees Fund - This fund is used to account for money collected from students that shall be expended for the purpose for which it was collected from the students.

Debt Service Fund - This fund is used to account for the accumulation of resources for, and the payment of, general long-term obligations principal, interest, and related costs.

**D. Measurement Focus and Basis of Accounting**

Measurement focus is a term used to describe "which" transactions are recorded within the various financial statements. Basis of accounting refers to "when" transactions are recorded, regardless of the measurement focus applied.

Measurement Focus - In both the government-wide financial statements and the fund financial statements, the governmental activities are presented using a cash basis measurement focus. Their reported net position/fund balance is considered a measure of "available cash and investments." The operating statements focus on cash received and cash disbursed.

Basis of Accounting - In the government-wide and the fund financial statements, the District prepares its financial statements using the cash basis of accounting. Accordingly, receipts are recognized when cash is received by the District and expenditures are recognized when cash is disbursed. This basis of accounting is applied to all transactions, including the disbursements for capital assets, receipt of proceeds from issuance of debt and the retirement of debt, except for reporting a bond refunding. The refunding of bonds are not presented in the financial statements as the District reports the original bond proceeds as revenues when the cash is received, records expenditures as the bond proceeds are spent and reports the payments of bond principal and interest payments as expenditures through maturity of the bonds. This basis is a comprehensive basis of accounting other than generally accepted accounting principles in the United States of America.

Douglas County, Nebraska  
Notes to Basic Financial Statements**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**E. Equity Classification**

**Government-Wide Statements**

Equity is classified as net position and displayed in two components:

- Restricted Net Position - Consists of net position with constraints placed on the use either by 1) external groups, such as creditors, grantors, contributors or laws and regulations of other governments; or 2) law through constitutional provisions or enabling legislation.
- Unrestricted Net Position - All other net position that do not meet the definition of "restricted." However, if the funds have been designated by the Board of Education, these funds have been shown separately to distinguish their designation.

It is the District's policy to first use restricted net positions, first, prior to the use of unrestricted net position, when a disbursement is made for purposes in which both restricted and unrestricted net positions are available.

**Fund Financial Statements**

Governmental fund equity is reported as fund balance within each respective fund. For governmental funds, the fund balance is divided into five classifications based primarily on the extent to which the District is bound to observe constraints imposed upon the use of the resources in the governmental funds. The classifications are as follows:

- Nonspendable - This fund balance category includes amounts that cannot be spent because they are not in spendable form, or legally or contractually required to be maintained intact. The "not in spendable form" criterion includes items that are not expected to be converted to cash. As of August 31, 2025, the District did not have any nonspendable funds.
- Restricted - Fund balance is reported as restricted when constraints placed on the use of resources are either externally imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or is imposed by law through constitutional provisions or enabling legislation. Enabling legislation authorizes the Board of Education to assess, levy, charge, or otherwise mandate payment of resources (from external resource providers) and includes a legally enforceable requirement that those resources be used only for the specific purposes stipulated in the legislation. Legal enforceability means that the District can be compelled by an external party-such as citizens, public interest groups, or the judiciary to use resources created by enabling legislation only for the purposes specified by the legislation.

**School District No. 17 - Millard Public Schools  
Douglas County, Nebraska  
Notes to Basic Financial Statements**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**E. Equity Classification (Continued)**

**Government-Wide Statements (Continued)**

- **Committed** - This fund balance classification includes amounts that can only be used for the specific purposes imposed by formal action (resolution) of the Board of Education. Those committed amounts cannot be used for any other purpose unless the Board of Education removes or changes the specified use by taking the same type of action (resolution) it employed to previously commit those amounts. In contrast to fund balance that is restricted by enabling legislation, committed fund balance classification may be redeployed for other purposes with appropriate due process. Constraints imposed on the use of committed amounts are imposed by the Board of Education, separate from the authorization to raise the underlying revenue; therefore, compliance with these constraints is not considered to be legally enforceable. Committed fund balance also incorporates contractual obligations to the extent that existing resources in the fund have been specifically committed for use in satisfying those contractual requirements.
- **Assigned** - Amounts in the assigned fund balance classification are intended to be used by the District for specific purposes but do not meet the criteria to be classified as restricted or committed. In governmental funds other than the General Fund, assigned fund balance represents the remaining amount that is not restricted or committed. In the General Fund, assigned amounts represent intended uses established by Board of Education or a District Administrator delegated that authority by the Board of Education.
- **Unassigned** - This fund balance is the residual classification for the General Fund and includes all spendable amounts not contained in the other classifications. In other governmental funds, the unassigned classification is used only to report a deficit balance resulting from overspending for specific purposes for which amounts had been restricted, committed, or assigned.

The District applies restricted resources first when expenditures are incurred for purposes for which either restricted or unrestricted (committed, assigned, and unassigned) amounts are available. Similarly, within unrestricted fund balance, committed amounts are reduced first followed by assigned, and then unassigned amounts when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

**F. Internal and Interfund Balances and Activities**

In the process of aggregating the financial information for the government-wide financial statements, some amounts reported as interfund activity and balances in the fund financial statements have been eliminated or reclassified. Interfund transfers, the flow of assets from one fund to another where repayment is not expected, are reported as cash receipts and disbursements. During the year ended August 31, 2025, the District transferred \$37,048,088 from the General Fund to the Employee Benefit Fund and \$2,525,075 to the Depreciation Fund. These transfers were made to fund anticipated expenses related to each fund's purpose and they have been eliminated in the government-wide financial statements and are also not shown on the fund financial statements as the Employee Benefit and Depreciation funds are part of the General Fund.

**NOTE 2 - BUDGET PROCESS AND PROPERTY TAXES**

The District is required by state law to adopt annual budgets for the General Fund, Special Building Fund, School Nutrition Fund, Employee Benefit Fund, Contingency Fund, Depreciation Fund, Activities Fund, Student Fees Fund, and Debt Service Fund. Each budget is presented on the cash basis of accounting, which is consistent with the requirements of the state budget act.

State Statutes of the Nebraska Budget Act provide the prescribed budget practices and procedures that governing bodies are required to follow. The amounts that may be budgeted for certain specific funds are subject to various expenditure and/or tax levy limitations.

The District follows these procedures in establishing the budgetary data reflected in the accompanying financial statements:

- The Superintendent submits to the Board of Education a proposed operating budget for the fiscal year commencing September 1. The operating budget includes proposed expenditures and the means of financing them.
- A public hearing is conducted at a public meeting to obtain taxpayer comments.
- The budget is legally adopted by the Board of Education through passage of a resolution and is filed with the appropriate agencies on or before September 30.
- Total fund expenditures may not legally exceed total appropriations at the fund level or for "regular education" in the general fund without holding a public budget hearing and obtaining approval from the Board of Education. Appropriations lapse at fiscal year-end and any revisions require Board approval.

The District had no budget amendments for the 2024-2025 fiscal year.

The property tax requirement resulting from the budget process is utilized by the County Assessor to establish the tax levy in accordance with State Statutes, which tax levy attaches as an enforceable lien on property within the District as of December 31. The tax becomes due at that date with the first half becoming delinquent on April 1 and the second half becoming delinquent on August 1 following the levy date.

The 2025 property tax valuation was \$16,289,710,634. The combined tax rate of the District for the year ended August 31, 2025, was 1.118010 per \$100 of assessed valuation.

**NOTE 3 - DEPOSITS AND INVESTMENTS**

*Nebraska Statutes* §§ 79-408, 79-1042 and 79-1043 provide that the District may, by and with the consent of the Board of Education of the District, invest the funds of the District in securities, including repurchase agreements, the nature of which individuals of prudence, discretion, and intelligence acquire or retain in dealing with the property of another.

**School District No. 17 - Millard Public Schools  
Douglas County, Nebraska  
Notes to Basic Financial Statements**

**NOTE 3 - DEPOSITS AND INVESTMENTS (CONTINUED)**

**A. Deposits**

As of August 31, 2025, the carrying amount of the District's deposits was \$18,108,047 and the bank balance was \$19,879,461.

While the District maintains separate bank accounts for individual funds for cash flow and investment purposes, the District occasionally pools cash as part of their cash management procedures.

**B. Investments**

Investments include \$136,175,215 in Nebraska School District Liquid Asset Fund, which is similar in nature to an open-end mutual fund designed specifically for Nebraska school entities, investing only in those securities allowable for such entities under Nebraska Law. These investments are reported at cost.

Investments also include \$26,492,362 in money market funds and \$20,646,747 invested in a short-term cash fund. These investments are reported at cost.

**C. Risks**

The District attempts to mitigate the following types of deposit and investment risks through compliance with the State Statutes referred to above. The three types of deposit and investment risks are as follows:

- **Custodial Credit Risk:** This is for deposits and investments; custodial credit risk is the risk that in the event of the failure of a bank or other counterparty, the District will not be able to recover the value of its deposits, investments or collateral securities in the possession of a third-party.
- **Credit Risk:** This is for deposits and investments; credit risk is the risk that a bank or other counterparty defaults on its principal and/or interest payments owed to the District.
- **Interest Rate Risk:** This is for deposits and investments; interest rate risk is the risk that the value of deposits and investments will decrease as a result of a rise in interest rates.

The bank balances of the District's deposits, which includes the savings and money market accounts held at banks, are insured through Federal Depository Insurance Corporation (FDIC) coverage or collateral held by the District's agent in the District's name. As of August 31, 2025, the District had \$1,183,732 that was not collateralized.

The District's investment policy does not restrict investment maturities. The District minimizes its interest rate risk by structuring its investment portfolio so that securities mature to meet the District's cash needs, which is accomplished in part by investing primarily in short-term investments or in investment vehicles that allow for monthly cash draws.

**NOTE 5 - NEBRASKA SCHOOL EMPLOYEES RETIREMENT SYSTEM**

**A. Plan Description**

The District contributes to the Nebraska School Employees Retirement System, a cost-sharing multiple-employer defined benefit pension plan administered by the Nebraska Public Employees Retirement System (NPERS). NPERS provides retirement and disability benefits to plan members and beneficiaries. The School Employees Retirement Act establishes benefit provisions.

In 1945, the Nebraska Legislature enacted the law establishing a retirement plan for school employees of the State. During NPERS fiscal year ended June 30, 2024, there were 263 participating school districts. These were the districts that had contributions during the fiscal year. All regular public school employees in Nebraska, other than those who have their own retirement plans (Class V school districts, Nebraska State Colleges, University of Nebraska, Community Colleges), are members of the plan.

Normal retirement is at age 65. For an employee who became a member before July 1, 2013, the monthly benefit is equal to the greater of the following: 1) the sum of a savings annuity, which is the actuarial equivalent of the member's accumulated contributions and a service annuity equal to \$3.50 per year of service; or 2) the average of the three 12-month periods of service as a school employee in which such compensation was the greatest, multiplied by total years of creditable service, multiplied by a formula factor of 2%, and an actuarial factor based on age.

For an employee who became a member on or after July 1, 2013, the monthly benefit is equal to the greater of the following: 1) the sum of a savings annuity, which is the actuarial equivalent of the member's accumulated contributions and a service annuity equal to \$3.50 per year of service; or 2) the average of the five 12-month periods of service as a school employee in which such compensation was the greatest, multiplied by total years of creditable service, multiplied by a formula factor of 2%, and an actuarial factor based on age.

Employees benefits are vested after five years of plan participation or when termination occurs at age 65 or later. Vested members are eligible to receive an unreduced retirement benefit at age 65.

**School District No. 17 - Millard Public Schools  
Douglas County, Nebraska  
Notes to Basic Financial Statements**

**NOTE 5 - NEBRASKA SCHOOL EMPLOYEES RETIREMENT SYSTEM (CONTINUED)**

**A. Plan Description (Continued)**

A member's age will determine eligibility to begin receiving monthly benefits and if those benefits are reduced or unreduced. Benefit calculations vary with early retirement. At ages 55 to 64, members who are in tiers one, two, or three may qualify to receive unreduced benefits under the "Rule of 85" if the member's attained age plus creditable service equals 85 or greater. At aged 60 to 64, members may qualify to receive unreduced benefits under the tier four "Rule of 85" if the member's attained age plus creditable service equals 85 or greater.

For employees who became members prior to July 1, 2013, the benefit paid to a retired member or beneficiary receives an annual cost of living adjustment, which is increased by the lesser of the percentage change in the Consumer Price Index for Urban Wage Earners and Clerical Workers or 2.5%. The current benefit paid to a retired member or beneficiary is adjusted so that the purchasing power of the benefit being paid is not less than 75% of the purchasing power of the initial benefit.

For employees who became members on or after July 1, 2013, the benefit paid to a retired member or beneficiary receives an annual cost-of-living adjustment, which is increased by the lesser of the percentage change in the Consumer Price Index for Urban Wage Earners and Clerical Workers or 1%. There is no purchasing power floor for employees who fall under this tier.

For the District's year ended August 31, 2025, the District's total payroll for all employees was \$171,345,299. Total covered payroll was \$165,494,135 Covered payroll refers to all compensation paid by the District to active employees covered by the Plan.

**B. Contributions**

The State's contribution is based on an annual actuarial valuation. In addition, the State contributes an amount equal to 2% of the compensation of all members. This contribution is considered a non-employer contribution since school employees are not employees of the State. The employee contribution was equal to 9.78% from July 1, 2023, to June 30, 2024, (and from July 1, 2024, through June 30, 2025). As of July 1, 2025, the contribution rate was adjusted to 8%. The school district (employer) contribution is 101% of the employee contribution. The District's contribution to the Plan for its year ended August 31, 2025, was \$15,560,493.

**C. Pension Asset**

At June 30, 2024, the District had an asset of \$30,245,880 for its proportionate share of the net pension asset. (This asset is not recorded in the accompanying cash basis financial statements.) The net pension asset was measured as of June 30, 2024, and the total pension liability used to calculate the net pension asset was determined using an actuarial valuation as of that date. The NPERS School Plan was 103.34% funded as of June 30, 2024, based on actuarial calculations comparing total pension liability to the plan fiduciary net position. The District's proportion of the net pension asset was based on a projection of the District's long-term share of contributions to the pension plan relative to the projected contributions of all participating entities, actuarially determined. At June 30, 2024, the District's proportion was 5.494819%, which was a decrease of 0.045684% from its proportion measured as of June 30, 2023.

For the year ended June 30, 2024, the District's and allocated pension income was \$5,811,697.

**D. Actuarial Assumptions**

The total pension liability in the June 30, 2024, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement:

Valuation Date	July 1, 2024
Actuarial cost method	Entry Age Normal
Amortization method	Level Percent of Payroll, Closed
Single equivalent amortization period	1 year
Asset valuation method	5 Year Smoothed Market
Inflation	2.35%
Investment rate of return, net of Investment expense and including inflation	7.00%
Salary increases, including wage inflation	2.85%-12.85%
Cost-of-living adjustment (COLA)	2.00% with a floor benefit equal to 75% purchasing power of original benefit*

\* 1% and no floor benefit for members joining on or after July 1, 2013.

The School Plan's pre-retirement mortality rates for retirees were based on the Pub-2010 General Members (Above Median) Employee Mortality Table (100% of male rates, 95% of female rates), both male and female rates set back one year, projected generationally using MP-2019 modified to 75% of the ultimate rates.

The School Plan's post-retirement mortality rates for retirees were based on the Pub-2010 General Members (Above Median) Employee Mortality Table (100% of male rates, 95% of female rates), both male and female rates set back one year, projected generationally using MP-2019 modified to 75% of the ultimate rates.

The School Plan's post-retirement mortality rates for beneficiaries were based on the Pub-2010 General Members (Above Median) Contingent Survivor Mortality Table (100% of male rates, 95% of female rates), both male and female rates set back one year, projected generationally using MP-2019 modified to 75% of the ultimate rates.

The School Plan's disability mortality rates were based on the Pub-2010 Non-Safety Disabled Retiree Mortality Table (static table).

The actuarial assumptions used in the July 1, 2024, valuations for the School Plan is based on the results of the most recent actuarial experience study, which covered the four-year period ending June 30, 2019. The experience study report is dated December 31, 2020.

**NOTE 5 - NEBRASKA SCHOOL EMPLOYEES RETIREMENT SYSTEM (CONTINUED)**

**D. Actuarial Assumptions (Continued)**

The long-term expected real rate of return on pension plan investments was based upon the expected long-term investment returns provided by a consultant of the Nebraska Investment Council, who is responsible for investing the pension plan assets. The return assumptions were developed using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the pension plans' target asset allocation as of June 30, 2024, (see the discussion of the pension plan's investment policy) are summarized in the table on the following page.

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return*</u>
U.S. Equity	27.00 %	4.50 %
Global Equity	19.00	5.30
Non-U.S. Equity	11.50	5.80
Fixed Income	30.00	0.70
Private Equity	5.00	7.40
Real Estate	7.50	4.20
Total	<u>100.00 %</u>	

\* *Arithmetic mean, net of investment expenses.*

**E. Discount Rate**

The discount rate used to measure the Total Pension Liability at June 30, 2024, was 7.00%. The discount rate is reviewed as part of the actuarial experience study, which was last performed for the period July 1, 2015, through June 30, 2019. The actuarial experience study is reviewed by the NPERS Board, which must vote to change the discount rate.

The projection of cash flows used to determine the discount rate assumed that contributions from plan members will be made at the current contribution rate and contributions from employers and non-employers will be made at the contractually required rates, actuarially determined. Based on those assumptions, the pension plans' fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payment to determine the total pension liability. The projected future benefit payment for all current plan members was projected through 2123.

**F. Sensitivity of the District's Proportionate Share of the Net Pension Liability to Changes in the Discount Rate**

The following presents the District's proportionate share of the net pension liability/(asset) calculated using the discount rate of 7.0%, as well as what the District's proportionate share of the net pension liability/(asset) would be if it were calculated using a discount rate that is one percent lower (6.0%) or one percent higher (8.0%) than the current rate:

District Proportionate Share of Net Pension Liability (Asset)		
1% Decrease in Discount Rate (6.0%)	Current Discount Rate (7.0%)	1% Increase in Discount Rate (8.0%)
\$ 95,578,443	\$ (30,245,880)	\$ (133,410,475)

**G. Plan Fiduciary Net Position**

Detailed information about the Plan's fiduciary net position is available in the separately issued Nebraska Public Employees Retirement Systems Plan financial report. NPERS issues a publicly available financial report that includes financial statements and required supplementary information for NPERS. That report may be obtained by writing the NPERS, P.O. - Twelve vans used for transportation of students in special education programs expiring on various dates through February 2027.
- Vehicles used by administration and maintenance. These leases expire on various dates through May 2028.
- Several copiers used throughout the District expiring on various dates through 2029.

Future minimum lease payments for all leases are as follows:

The total paid for lease commitments for the year ended August 31, 2025, was \$77,144 all of which was paid-out of the General Fund.

**NOTE 7 - COMMITMENTS AND CONTINGENCIES**

**A. Grant Program Involvement**

The District participates in a number of state and federally assisted programs. These programs are subject to financial and compliance audits of various agencies and departments, many of which have not yet been performed. The District's management believes that the amount of expenditures, if any, which may be disallowed by the granting agencies, would not be significant.

**B. Compensated Absences**

As a result of the District's use of the cash basis of accounting, accrued liabilities related to compensated absences (sick leave only; vacation does not vest) and any employer-related costs earned and unpaid, are not reflected in the government-wide or fund financial statements. Under the District plan, faculty, administrators, and some support staff are paid between \$80 to a daily rate of pay per day for any sick leave accumulated over 80 days. Employees receive 12 days of sick leave per year and cannot accumulate over 87 days. Faculty and administrators accumulated sick leave over 75 days is paid at the end of the fiscal year.

**C. Voluntary Early Separation Plan**

The District has established a Voluntary Separation Plan that allows certain employees to receive benefits from the District when they take voluntary separation for a period of up to 24 months. As of August 31, 2025, the District estimates their liability under this plan at approximately \$1.01 million with the final obligations payable in fiscal year 2027.

**D. Litigation**

The District is involved in various legal actions whereby certain parties are making claims for damages. Management believes the outcome of these proceedings will not have any material financial impact on the District.

**E. Arbitrage**

Investment earnings from bond proceeds during the current fiscal year could be subject to arbitrage rebate and other tax matters. Currently, the District's management believes that there is no liability at year-end.

**F. Risk Management**

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; employees health and life; and natural disasters.

<u>Type of Loss</u>	<u>Method Managed</u>	<u>Risk of Loss Retained</u>
Torts, errors and omissions	Self-funded and purchased insurance	Deductible

**NOTE 6 - COMMITMENTS AND CONTINGENCIES (CONTINUED)**

**G. Risk Management (Continued)**

Management believes such coverage is sufficient to preclude any significant uninsured losses to the District. Settled claims resulting from these risks have not exceeded commercial insurance coverage in any of the past three fiscal years.

**H. Construction Contracts**

During the year, the District entered into contracts for the construction and renovation of several school buildings. The amount of the contracts outstanding at August 31, 2025, was \$3,646,255.

**NOTE 8 - SUBSEQUENT EVENTS**

Management has evaluated subsequent events through November 4, 2025, the date which these financial statements were available to be issued.

Notes to Supplementary Information -  
Budgetary Comparison Schedules**

**NOTE 1 - BUDGETARY ACCOUNTING**

The District prepares its budget for the Governmental Funds on the cash basis of accounting. This basis is consistent with the basis of accounting used in presenting the basic financial statements. Under this method of accounting, all unexpended appropriations lapse at the end of the budget year.

The term "Budgetary Fund Balance" used in these supplementary schedules is synonymous with the term "Fund Balance - Cash Basis" used in the basic financial statements.

**NOTE 2 - PRESENTATION**

*Government Auditing Standards* requires that for reporting purposes, the General Fund include all activity of funds that do not generate a significant amount of revenues from outside sources. Therefore, in the fund financial statements, the Depreciation Fund, Employee Benefit Fund and Contingency Fund have been included in the General Fund since their revenues are mainly derived from transfers from the General Fund. However, since the Depreciation Fund, Employee Benefit Fund and Contingency Fund are required by state law to adopt their own budget, their respective budgetary schedules have been included here. The presentation follows the same major function codes as those that are used by the District to prepare their annual financial report, which the District submits to the Nebraska Department of Education.

**Report on Internal Control over Financial Reporting  
and on Compliance and Other Matters Based on an Audit  
of Financial Statements Performed in Accordance  
with *Government Auditing Standards***

**Independent Auditor's Report**

To the Board of Education  
School District No. 17 - Millard Public Schools  
Douglas County, Nebraska

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (*Government Auditing Standards*), the financial statements of the governmental activities and each major fund of the School District No. 17 - Millard Public Schools, Douglas County, Nebraska (the "District"), as of and for the year ending August 31, 2025, and the related notes to the basic financial statements, which collectively comprise the District's basic financial statements and have issued our report thereon dated November 4, 2025.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency* in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the District's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the result of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Section 9. Amendment; Waiver.** Notwithstanding any other provision of this Disclosure Certificate, the District may amend this Disclosure Certificate and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

- (a) If the amendment or waiver relates to the provisions of Section 3, 4 or 6, it may be made only in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the District with respect to the Bonds or the type of business conducted;
- (b) The Disclosure Certificate, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and
- (c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Resolution for amendments to the Resolution with the consent of Holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

If any provision of this Disclosure Certificate is amended or waived, the District shall describe such amendment or waiver in the next Annual Report and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the District. If the District chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the District shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

**Section 11. A default under this Disclosure Certificate shall not be deemed an event of default under the Resolution, and the sole remedy under this Disclosure Certificate in the event of any failure of the District to comply with this Disclosure Certificate shall be an action to compel performance.

## APPENDIX D

### BOOK-ENTRY SYSTEM

The Depository Trust Company (“**DTC**”), New York, NY, will act as securities depository for the Bonds. The Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC’s participants (“**Direct Participants**”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“**DTCC**”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“**Indirect Participants**”). DTC has a rating of “AA+” from S&P Global Ratings, a Standard and Poor’s Financial Services LLC business. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“**Beneficial Owner**”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co. or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the Registrar and request that copies of the notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District, or the Registrar, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with Bonds held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, nor its nominee, the District or the Registrar, subject to any statutory or regulatory requirements as may be in effect from time to time.

Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Registrar, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the District or the Registrar. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

***The information in this Appendix concerning DTC and DTC's book-entry system has been obtained from DTC, and neither the District nor the Underwriter takes responsibility for the accuracy thereof, and neither the DTC Participants nor the Beneficial Owners should rely on the foregoing information with respect to such matters but should instead confirm the same with DTC or the DTC Participants, as the case may be.***

*Neither the District nor the Underwriter will have any responsibility or obligation to any Direct Participants or Indirect Participants or the persons for whom they act with respect to (a) the accuracy of any records maintained by DTC or any such Direct Participant or Indirect Participant; (b) the payment by any Direct Participant or Indirect Participant of any amount due to any Beneficial Owner in respect of the principal or redemption price of or interest on the Bonds; (c) the delivery by any such Direct Participant or Indirect Participant of any notice to any Beneficial Owner that is required or permitted under the terms of the Resolution to be given to registered owners of the Bonds; (d) the selection of the Beneficial Owners to receive payment in the event of any partial redemption of the Bonds; or (e) any consent given or other action taken by DTC as the registered owner of the Bonds*

§ \_\_\_\_\_  
**DOUGLAS COUNTY SCHOOL DISTRICT 0017  
IN THE STATE OF NEBRASKA  
(MILLARD PUBLIC SCHOOLS)  
GENERAL OBLIGATION REFUNDING BONDS  
SERIES 2026B**

Ladies and Gentlemen:

We have acted as Bond Counsel in connection with the issuance and sale by the Douglas County School District 0017, in the State of Nebraska (Millard Public Schools) (the “District”) of the above captioned bonds (the “Bonds”). The Bonds are issuable as fully registered Bonds without coupons dated as of the date hereof in the denomination of \$5,000 or any integral multiple thereof, bearing interest payable semiannually on June 15 and December 15 of each year, commencing \_\_\_\_\_, 2026.

The Bonds recite that they are issued by the District to finance (a) all or a portion of the costs of improving the safety and security of school building facilities; renovations and repairs to school buildings and other facility maintenance to replace building components at the end of their useful life; as well as facility improvements related to special education programs, skilled trades education, and other educational programs, including constructing capital improvements, additions, making repairs or site improvements of existing district buildings, and providing the necessary equipment and apparatus for such buildings, (b) the purchase and cancellation of certain of the District’s General Obligation Refunding Bonds, Taxable Series 2020, dated July 1, 2020, (c) the purchase and cancellation of certain of the District’s General Obligation Refunding Bonds, Taxable Series 2021B, dated September 15, 2021, and (d) the costs of issuing the Bonds, under and pursuant to and in full conformity with the Constitution and Statutes of the State of Nebraska (the “State”), and pursuant to and in full compliance with the proceedings of the Board of Education of the District duly enacted and adopted.

The District has covenanted in the resolutions pursuant to which the Bonds have been issued (the “Resolution”) to comply with all necessary provisions of the Internal Revenue Code of 1986, as amended (the “Code”), to preserve the exclusion of interest on the Bonds from gross income for federal income tax purposes. Noncompliance by the District with such restrictions may cause the interest on the Bonds to be subject to federal income taxation retroactive to their date of issue.

We have examined the Constitution and Statutes of the State, certified copies of proceedings of the Board of Education of the District authorizing the issuance of the Bonds and an executed bond of said issue.

In our opinion, the Bonds have been authorized and issued in accordance with the Constitution and Statutes of the State and constitute valid and legally binding obligations of the District, and the District has the power and is obligated to levy ad valorem taxes for the payment of the Bonds and the interest thereon upon all the property within the District subject to taxation by the District without limitation as to rate or amount.

The rights of the owners of the Bonds and the enforceability thereof may be subject to valid bankruptcy, insolvency, reorganization, moratorium and other laws for the relief of debtors.

It is also our opinion that, assuming compliance by the District with the covenant referred to in the third paragraph of this letter, the interest on the Bonds is excluded from gross income for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax imposed on individuals. Interest on the Bonds may affect the federal alternative minimum tax imposed on certain corporations.

The accrual or receipt of interest on the Bonds may otherwise affect the federal income tax liability of the owners of the Bonds. The extent of these other tax consequences will depend on such owners' particular tax status and other items of income or deduction. Bond Counsel has expressed no opinion regarding any such consequences.

Purchasers of the Bonds, particularly purchasers that are corporations (including S corporations, foreign corporations operating branches in the United States of America, and certain corporations subject to the alternative minimum tax imposed), property or casualty insurance companies, banks, thrifts or other financial institutions, certain recipients of social security or railroad retirement benefits, taxpayers entitled to claim the earned income credit, taxpayers entitled to claim the refundable credit in Section 36B of the Code for coverage under a qualified health plan or taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, should consult their tax advisors as to the tax consequences of purchasing or owning the Bonds.

It is further our opinion that, under the existing laws of the State of Nebraska, interest income on the Bonds is exempt from Nebraska state income taxation as long as it is exempt for purposes of the federal income tax.

The scope of our engagement has not extended beyond the examinations and the rendering of the opinions expressed herein. Our engagement with respect to the transaction referred to herein terminates upon the date of this letter. We assume no obligation to review or supplement this letter subsequent to its date, whether by reason of a change in current laws, by legislative or regulatory action, by judicial decision or for any other reason.

This opinion is based solely upon existing federal and State laws, regulations, rulings and judicial decisions. We express no opinion as of any subsequent date or with respect to any pending legislation.

Very truly yours,

To be signed and delivered at Closing by  
Kutak Rock LLP
