***Extended* Expiration Date:**	The date which is the earlier of (a) 5:00 p.m. Eastern Time on November 6, 2026 (the "Consent Deadline Date") or (b) the date upon which the Information and Tabulation Agent has accepted the requisite number of properly executed Consents as provided herein in order to effectuate the Indenture Amendment (as defined in the Consent Solicitation Statement), subject to the satisfaction of the Amendment Conditions (as defined in the Consent Solicitation Statement).

CONSENT FEE

Any Beneficial Owner as of the Record Date that delivers its properly completed, executed Consent to the Proposed Indenture Amendment form, in the manner prescribed in the Consent Solicitation Statement, to the Information and Tabulation Agent prior to the expiration of 5:00 p.m. Eastern Time on November 6, 2026 (the "Extended Expiration Date") will be eligible for the **consent fee equal to $1.00 per $1,000 of Bonds** (the "Consent Fee") subject to the conditions set forth in the Consent Documents. The Issuer makes no representation as to the U.S. federal income tax treatment of the Consent Fee.

All Beneficial Owners that have not yet responded are requested to respond as soon as possible. The response of every Beneficial Owner is important to the Issuer. Please note that a Beneficial Owners' eligibility to receive the Consent Fee will not be valid until their consent is delivered to the Information and Tabulation Agent via the Extended Master Consent in the Amendment to Original Consent Statement dated October 22, 2026.

Beneficial Owners wishing to provide their consent should instruct their respective DTC Participants with custody of their Outstanding Bonds to execute a Master Consent on their behalf and deliver the executed Master Consent to the Information and Tabulation Agent no later than the Extended Expiration Date. Beneficial Owners, who have already participated in the Consent Solicitation, need not take any additional action.
